

The GAF Jamboree 2025!

Fellow gamers, painters and hobbyists it is our honor to be able to present to you the event pack for the GAF Jamboree 2025!

GAF? What the hell is GAF!?

Well, we are an AoS team from East/North Yorkshire and for the past Six(ish) years we have been very active on the tournament scene, at least a few of you will have seen our striking pink tops I'm sure. During this time we have been collecting and collating all the ideas we believe are essential to running the greatest AoS events of all time. Our aim is to create a relaxed social event whilst still encouraging spicy competitive play and giving out as many prizes, awards and general gubbins as we can. If this sounds good to you please read on.

Last year's Jamboree was an absolute blast! We loved running the event and got a load of great feedback! This year it's going to be bigger, better and have a load more shenanigans!

When is it and how long will it take!?

The event will be taking place on the 11th and 12th of October 2025 with **registration at 09:00 am but if you want to attend earlier doors will be open at 8:30am. The Sunday will be starting at 9:30 am.** The schedule will be somewhat flexible so we can squeeze in time for giveaways and minigames throughout the day, but we'll try not to keep you around too long if you need to shoot off on Sunday!

Alright, Where is it!?

We will be using 'Hull's Angels Tabletop Gaming Club' which is located at **4-5 Whitefriargate, Kingston-Upon-Hull, East Yorkshire, United Kingdom, HU1 2ER**. The entrance to the club is the door with a Hull's Angels sign above it between Boyes and the Vape Shop. It's a great,

volunteer run club that a lot of GAF'ers use as a second home, so it only seemed right to hold our events here too.

Do I HAVE to buy a ticket!?

There will be 36 tickets available, to purchase a ticket please send **£45 to GrandAllianceFriendship@Gmail.com via PayPal Friends and Family**. This covers you for two full days of unadulterated warfare. Please specify in the notes who you are buying tickets for so we can easily collate that information into a players list.

Fine! What about bloody lists then!?

Your army can be no more than **2000 points** made following the GHB 2025 pack. Any publication released two weeks prior to the event can be used. **List submissions will be made one week before the event begins (Midnight, 04/10/2025)**. Please, please, please **create your list in either Warscroll Builder or the Age of Sigmar app**, use the copy function and upload it to BCP after you have registered using the following link:
<https://www.bestcoastpairings.com/event/IU0qqbGLEInR>

Do I need to be fully painted!?

YES you do you lazy bastard! However we only require your models to be painted to a basic tabletop standard (No bare plastic, a minimum of 3 colors and the models must be fully assembled). This being said there are plenty of painting awards so we encourage people to bring their A game!

Where am I supposed to Sleep!?

There are plenty of places to stay in Hull if you are coming from out of town, the best location probably being the 'Premier Inn' at Tower St, HU9 1TQ but there are of course other options available or plenty of street benches.

Where's the Party at!?

Everybody will be welcome and ENCOURAGED to join us after the day's gaming is over to hang out, eat copious amounts of chicken wings and see the night through! However if this isn't your "thing" then that's no issue at all! we will see you on Sunday!

And what about my car!?

Below is a great guide of where to park and how much it costs provided by Hull's Angels:
<https://hullsangels.com/where-to-find-us-and-parking>

However, if you are staying at the Tower St 'Premier Inn' I believe they offer free parking for customers so this would be ideal.

What if I'm starving and thirsty!?

Food is **NOT** included with the entry fee

Rather than ordering a load of subway sandwiches that half the attendees don't touch we thought it better to let you guys decide where you want to eat and pass the savings on the ticket price on to you.

However, it just so happens that there are a bunch of great options a mere stones throw away from the club! As an example Trinity indoor market offers a wide range of street food (Indian, Italian, Greek, Thai, Various baked goods) at decent prices. There are also the usual fast food restaurants available (Subway, Mcdonalds, KFC etc) a short walk from the venue if that takes your fancy! There will be a bunch of GAF'ers about to ask for directions if you need them! .

The venue will be serving alcohol, so drink until your heart's content, however the TO's and club staff have the right to refuse service at any point! Don't be "That guy or gal", we are all here for a good time and we won't let over a consumption of alcohol get in that way of that! If you're more of a soft drinks kinda guy or gal then the club has a tuck shop with a good selection of pop, chocolate, crisps etc.

Where do I keep updated on the event!?

Please follow @GAF_Moonhead on twitter as over the coming months he will keep you updated on any deadlines or changes to the Jamboree!

Not on Twitter? No worries. We will also send emails to all attendees and keep the Facebook event page updates with the latest information.

There will be plenty of photos taken throughout the 2 days that will be uploaded to the website in due course, if you see anything you like we are more than happy to send you the original images.

What's gonna make this event SOOOOO great exactly!?

We want to celebrate all players no matter how shit you are! Throughout the day there will be many opportunities to get involved with a whole host of minigames giving you the chance to win some great prizes and potentially some not so great ones!

The missions will be updated closer to the time! Additionally, all the results will be given to The Honestwargamer chaps so if you're bothered about your "ranking" you better turn up and smash some face!

Best Coast Pairings (BCP) will be used in this event to assist with scoring so please download the free app on your phone!

Games are going to be 3 hours long and should you not finish your game then you will need to talk it out between one another to come to a conclusion! If both people cannot agree on a conclusion then the TO will have the final say!

There will of course be awards for a whole host of placings, the following is just a taster of what you can win!

- **Gaming:** 1st, 2nd, 3rd - Decided by your overall Tournament score, obviously. Ranking will be determined as follows:
 1. Win / Draw / Loss
 2. VP Scored
 3. Battle Tactics Achieved
- **Best Painted:** 1st, 2nd, 3rd - Voted for by you lovely people.
- **Coollest Army:** In this category we are much less interested in how many layers of highlights your Night Goblin has and more interested in seeing some great conversions, list design and narrative elements to your army (voted for by TO's).
- **Best Sports:** You will be asked to rank your games in order of enjoyment level, So the gamer who makes the most other gamers happy wins!
- **Wait...What the fuck is that?** This is for all you psychopaths who love creating crazy lists. It's simple! The weirdest, most bat shit crazy list gets the award!
- **The Wooden Spoon of Infinite Friendship:** A consolation prize for the worst of the worse.

There will also be many more awards that you probably won't be used to seeing but you will need to wait for the day to find out more about those.

Finally, we are really excited to see all of you gorgeous gamers on the weekend and we will do everything in our power to make sure it's an event you will never forget!

Erm, I want a refund!?

Refunds are available up until Midnight, 28/09/2024. If there are mitigating circumstances meaning you need to cancel after this date we'll try and help you as best we can. Hopefully we can just offer your ticket to a player on the reserves list.

General recap

- Matches are to be played under the Generals Handbook 2025/26 Battlepack
- We will be using the terrain layouts found in the GHB, with players being given laminated cards to assign to the terrain features on their table to determine what the piece represents
- We will be playing on the 44x60 battlefields.
- Players should bring their own objective markers, each player must bring at least 4 markers so that there will be enough for each scenario.
- Armies must follow the above hobby rules, if you're unsure, please contact the TOs
- Round times are 3 hours. We will be using at the table clocks upon player request. At dice down the TO will come round to the tables yet to finish and help determine the outcome.
- Grudges are permitted for this event!

Much love,

The Grand Alliance Friendship team <3
