

# How's the portfolio? What needs to be improved?

Link to SITE:

How's the portfolio? Based on the evaluation from different perspectives review the weaknesses and improve them to be an expert.

Revision 1:

Date:	Expert Level	SELF-EVALUATION	COEVALUATION Who evaluates?	ASSESSMENT Teacher
OBJECTIVES (Start)	Concrete the intentions proposed in the portfolio in an understandable way and with arguments.	Aspects for improvement:  Other observations:	Aspects for improvement:  Other observations:	Aspects for improvement:  Other observations:
STRUCTURE	It presents the established structure. Each section has a personal and creative internal order, which makes it possible to highlight the learning process it has followed.	Aspects for improvement:  Other observations:	Aspects for improvement:  Other observations:	Aspects for improvement:  Other observations:

		EVALUATION	
--	--	------------	--

MATERIALS / RESOURCES	<p>It includes materials/resources that provide varied and quality information and links them to different types of learning. The choice is completely personal and is capable of justifying in a well-argued manner..</p>	<p><b>Aspects for improvement:</b></p> <p><b>Other observations:</b></p>	<p><b>Aspects for improvement:</b></p> <p><b>Other observations:</b></p>	<p><b>Aspects for improvement:</b></p> <p><b>Other observations:</b></p>
LEARNING EVIDENCES	<p>It includes a series of selected tasks, with their own corrections and comments for improvement.</p> <p>Your reflections demonstrate that you have internalized the learning process. He states that he has learned and the process he has followed to learn.</p>	<p><b>Aspects for improvement:</b></p> <p><b>Other observations:</b></p>	<p><b>Aspects for improvement:</b></p> <p><b>Other observations:</b></p>	<p><b>Aspects for improvement:</b></p> <p><b>Other observations:</b></p>
