

Name – Armstrong

Older guy with an intense stare and A LOUD VOICE. Possibly glasses, but definitely a mustache. Radiates passion and anger, and looks a bit sweaty and red most of the time. Hides a broken and scarred body under layered vests and pouches and belts.

He's seen some shit, and he'll probably let you know about it.

THE NEWS

Studio

By default, your radio studio is a makeshift building which can comfortably house 2–4 people, with broadcast equipment and a single NPC guard (*2-harm 1-armor*).

The guard's name is **Lark**, and unlike Armstrong, she's good at keeping her cool. Was with the Blood Sparrows before.

Amenities:

- Spare rooms to comfortably house up to 10 people.
- A dedicated security force (*small gang 2-harm 1-armor*). Like Armstrong, they're all passionate and quick to anger. Lark keeps them under control.

Attractions:

- Music salvaged from the golden age.
- Guests (*some ideas: Canary, Pops, Phoenix, maybe some of the pilots for some battle reports*)
- Expert advice (*including weather and pirate forecast*)

Complication:

- It's in a well-known location. (*maybe near the Maestro D's place or the Savvy's space?*)

Informants: ➤ Eddie ➤ Frog , the weather guy ➤ Gull , Canary's medic	Biggest Fan: ➤ Toni	People I've pissed off: ➤ Dremmer ➤ Sorrow and her cult

Moves

The News special. If you and another character have sex, you see through each others' personas and get a glimpse of the person underneath. They can choose to ask you 1, 2 or 3 questions, and you can ask them the same number:

- *What are you most afraid of?*
- *What are you most proud of?*
- *Who do you secretly love?*
- *Who do you secretly hate?*
- *What do you do that's just an act?*

Unflappable persona: when you act under fire, you can roll+hot instead of roll+cool.

Rally to the cause: when you speak out in favor of a cause or a person, roll+hot. On a 10+, hold 2. On a 7–9, hold 1. Spend your hold 1-for-1 to have your audience:

- *Send in supplies worth 1- or 2-barter.*
- *Attack somebody you name.*
- *Defend someone or something you name.*
- *Go together to a place you name.*

On a miss, hold 1 anyway, but to spend it you have to personally lead them into action.
