

Mono: *and carrying the guy innnsiiidee! * helloo

Tellus: Hello!! X> *rests his head against Mono's* You had a good time out?

Mono: I did! I went. to a bar.

Mono: it was very educational uvu

Tellus: Oh, how fun! What was the most educational part of it?

Mono: 'm a bit drunk I think.

Tellus: X> You are!

Mono:/you could already tell...../

Tellus: You have your wings out for balance! I figured it was either alcohol or an injury.

Mono:darn.....*looks at the wings * >:I

Tellus: X> Were you hoping it'd be a surprise?

Mono:you know what? I dunno. maybe. but it's ok I would I think, like some tea, so we can do that.

Tellus: We'll get some tea, yes! *going to try hopping down so he can lead the way*

Tellus: Did you learn about more things while you were out?

Mono: *lets him buh * yah! we need a suggestion box, molly would like another mailer.. mailperson

Mono: to go do deliveries also

Tellus: That's a very good idea! She must have a lot to deal with now that the city's growing!
leading him up the stairs and into a room with a pot of tea and cups waiting

Mono: the teaa!

Mono: *gonna sit down though, oof. wings go against the ground to help with support. *

Tellus: *soft laughter as he pours two cups of tea* The tea!!

Mono: and there's evenn tea for mee

Tellus: Of course there is! X> There's always tea for you, Momo! *he hands him a cup*

Mono: thank you for this lovely gift I shall treasure it.

Mono:an also drink it because that's what you do with teas

Tellus: That's a much better thing to do with tea. *smiling and sitting down next to him, taking a sip of his tea*

Mono: *sips at it mm .. *

Tellus: There's still quite a bit of the evening left. *pauses to take another drink* Is there anything you'd particularly like to do?

Mono: spend time with you!

Tellus: *he beams!!* You're so sweet, Momo!!

Mono: welll I missed you!

Tellus: X> I missed you, too. *leans against him, ha!*

Mono: *leans in a bit to give him a nuzzle! *

Tellus: *nuzzles back against him* I can write up some plans for the delivery situation later tonight if you'd like.

Mono: ok.. I might sleep a bit earlier though..

Tellus: You certainly should! Otherwise, you might wake up with a headache!

Mono: yeah but.. I don't want you to not sleep.. so I'm worried...

Tellus: *blinks a few times, eh?*" Oh!! Please don't worry about that, Momo!

Mono: mm why's that

Tellus: It's not good to worry too much! And you know I can get by on as much sleep as I get.

Mono:Telliii

Mono: you don't /get/ sleep without me a lotta the time....

Tellus: I will, I will!! I just always have a few more things to work on than I expect!

Mono: so I am very concerned! so concerned..

Tellus: *sets down his cup of tea and reaches up so he can gently smoosh Mono's face* I'll be ok, Momo.

Mono: * smooshed* mmrrhh.

Tellus: *he cranes his neck up so he can boop his nose against Mono's nose* Ok?

Mono:ok....

Tellus:*frees his face*

Mono:*licks yur nose *

Tellus: *wrinkles his nose, laughing* What are you up to...?

Mono: It just seemed like the right thing to do. unu

Tellus: *smiles up at them* You're so cute, Momo.

Mono: *beams aha!! * well! you are too! *gives him a nuzzle! then returns to the tea *

Tellus: *picks up his cup again, taking a few more drinks, ahaaaa, oh, Momo...*

mono: *finishes the tea, ok nice * 's really good tea

Tellus: Doc finds some of the best teas! He's got a real talent for it!

Mono: mhm! good at making them too! I'm always impressed

Tellus: One of these days, I'm going to have him show me where he gets everything.

Mono: the sacred tea secrets...

Tellus: Passed along from brother to brother....

Mono: as it should be!! hehe

Tellus: Yes!!So, what else happened at the bar?

mono: we played truth and dare! it was pretty fun

Tellus: Truth or dare! That must have been a good time!

Mono: yeah!!

Tellus: Did you get to answer any good questions during it? *there is no way they'd take dare when truth is available*

Mono: mmm.. mostly questions about myself! :<a

Tellus: Hm!! That makes sense... I guess it gives them a chance to ask you about yourself without feeling like they're imposing!

Mono: ..oh yeah that makes sense..

Tellus: Did you learn anything interesting from the other pokemon, too?

Mono: yes! the mailer thing. annnd that a suggestion box so people could tell us things that we might need to fix would be a good idea!

Tellus: Both very practical things!

Mono: yes! X>

Tellus:Maybe I'll come into the city with you next time. I haven't been out in months...

Mono: !! I'd like that a lot!!!

Tellus: Though, I don't think I'd be able to do much drinking! Doc doesn't have a great time with alcohol, and I can extrapolate from there that I won't do well with it.

Mono: that's ok! It's not an amazing thing annnyways I think.

Tellus: You were so excited to tell me about it. X>

Mono: yess

Tellus: *I have such a silly friend... He finishes off his cup of tea, sets the cup down, and leans against Mono*

Mono: *pulls him into a hug! *

Tellus: *snuggles up against him* Once you're done with your tea, I'll help put you to bed, alright?

Mono:the biggest role reversal..

Tellus: It had to happen one of these days.

Mono:I guess.. this is just how it has to be.....unu *buries face in tellus' hair *

Tellus: X) *it's coarse and wavy and smells like Tellus*

Mono: *the best... * mmmmmmm

Tellus: *just as long as they don't fall asleep like this!* You're so much snugglier when you're drunk. X> *It's- it's really silly....*

Mono: ...am I?

Tellus: You are! But, it's nice!

Mono: ...ok I'll remember then. more snuggles.. for.. telli... *this is spoken like he's writing it down but.. he's not.... *

Tellus: *laughing, ohhh no, that's so cute...* You might need some paper if you're going to take notes.

Mono: It's a mental note telli

Tellus: Are you sure you'll remember it come tomorrow? X>

Mono: it's been noted!!

Tellus: But, you're also quite drunk!

Mono:does that make you forget things..?

Tellus: I hear you sometimes forget what you did while drunk!

Tellus: I know some pokemon don't remember anything they did while they were drinking by the time they wake up.

Mono: that's /scary/!

Mono: I don't like that one bit

Tellus: ! I'm sure you'll remember things, though. You don't seem too drunk!" *puts an arm around them to pat at their back, you're ok!*

Mono: I didn't even know that could /happen/ D:;;

Tellus: It's ok, Momo! It's ok, you're going to be fine.

Mono: ok....

Tellus: *wraps his arms around them, see? Nothing to worry about.*

Mono: *gathers them up you get nuzzled and clings a bit.. *

Tellus: *hums a little bit, nuzzling bat at them, everything is ok*

Mono: *doesn't take a lot to calm them down though, and they yawn, bh.. *

Tellus: *he waits a few minutes, keeping them close, until he feels sure that their panic won't return, ok. Ok.* I'm going to get you to bed, alright...?

Mono: 'llright..

Tellus: *gets to his feet and uses his psychic powers to hoist up Mono, adjusting his grip so he has an armful of dragon, there.* To bed, to bed, to bed I said. *already walking up to the elevator so they can get to their room.*

Mono: you did and so I went along...

Tellus: *more soft laughter as he carries them into the bedroom and sets them on the bed*

Tellus: Clothes off or on?

Mono: mmm... 'll just.. *shifts forms * make it easier..

Tellus: X> Very good!

Mono: gnightt..

Tellus: Sleep well, Momo. *he leans over and kisses the spike on their head before turning and heading back to write up some plans*
