

## Using Clever to access DreamBox for Students

[Click here for tutorial explanation](#)

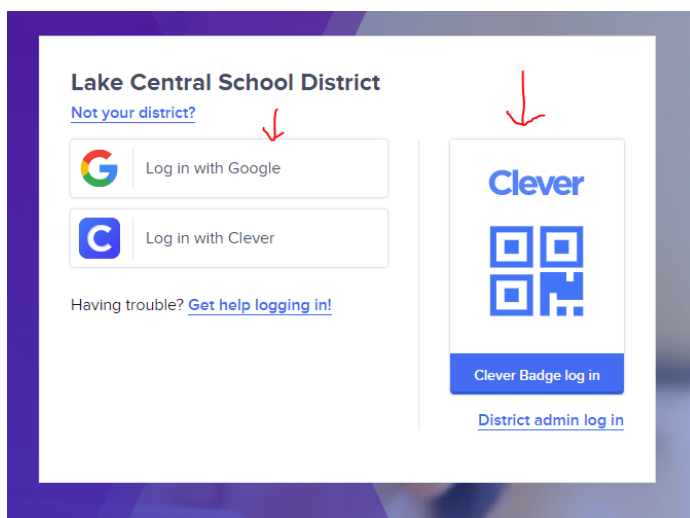

1. Access **Clever** through your Desktop icon or go to your school's website. Scroll down to the **Quick links** and click on the **Clever** icon. You can [click here](#) to access the site from this document.

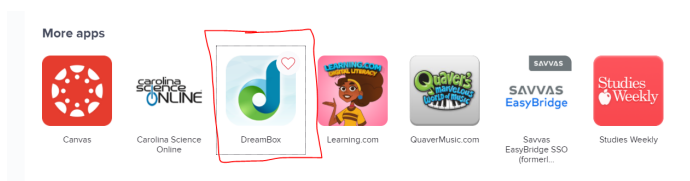

2. Select **Login with Google**. It will log you in or prompt you to login to your Google account

Or

Choose Clever badge and login with Clever QR Badge.

3. Once in the Clever homepage, scroll down to "**More apps (District)**" and click on the **DreamBox** icon.

4. This will take you right to the screen to start your **DreamBox** adventure.

5. If you are having trouble accessing DreamBox from an iPad or Android device, contact your student's teacher for the parent letter which contains set up instructions with code specific to your school and teacher. You need the code specific to your school.

#### To Access DreamBox on an iPad

To download the DreamBox Learning Math app, go to <https://www.dreambox.com/ipad>, or search for "DreamBox Learning Math" in the App Store. If you already have the app installed, you'll want to make sure the latest version of the app has been installed so your student receives the most current experience and lessons.
