

MONDAY

Book Talk - Ms. Miller 297: Do you love to read? Are you looking for your next favorite book? Join book talk! You can choose whatever book you'd like to read, and whether you get through one book or 10, it's all up to you! Each week we'll spend some time reading and as you finish a book we'll chat about your review, you might inspire someone else to read it too! Can't wait to see you there!

Marvel / DC Club - Mr Palmgren 156: MARVEL! DC!
Explore your favorite superheroes in this fun and interactive class! Learn hidden details about all your favorite characters from movies, cartoons and comics! Get FREE COMICS to enjoy on your own or trade with friends!

Creative Crafting Club - Ms Silva 278: We can knit, crochet, sew, latch hook, make friendship bracelets or design our own T-shirts. Get Crafty! Explore your creative side. **There is a one-time \$5.00 supply fee for the 6-week session.**

Asian Culture Club- Ms Chiang 295: Asian Club is an inclusive and safe space for a diverse group of MMS students. This new club's aim is to build cross-cultural understanding and promote positive relationships amongst students of all backgrounds. There will be ample opportunities to learn about Asian cultures as well as immerse oneself in cultural activities. This is a no-judgment zone where students have fun, make new friends, and discover the multifaceted culture of Asia. Everyone is welcome.

Animal Rights Club- Mr Stewart- S02: The goal of the Animal Rights Club is to help students to advocate for the protection of animals. We condemn animal neglect and cruelty while educating the community about its moral responsibility to protect animals. Join us as we use arts and crafts to spread our message and make the world a safer place for animals.

Minecraft BEDROCK SERVER (virtual- will meet in the MMS library) - Ms McArdle and Ms Carluccio: Students will work independently or as a team to complete Minecraft missions like building a house, farming, and ultimately battling the ender dragon on a Minecraft EDU server. There will only be one Minecraft program offered so make sure to check with the advisor to know which one you will need. You will need to check the Minecraft Google Classroom for the server number each week.

WEDNESDAY

Board Game Club - Ms Gibson 165: In this club we will learn and play traditional and non traditional board games. There is lots of variety in genres which include strategy, classic, fun, and social games. It is a great way to meet new people in an engaging, interactive setting!

Coding Club - Mr Degnan Library: Come join the coding club where we will be learning how to code using different applications for robotics and programming. **This club will be at no cost for students. When registering please enter the word "Code" where it asks for the PayPal information. This club will begin on April 20th.**

Spectrum Club - Ms Graham 138: Spectrum Club is a safe space for all students to explore questions and issues and experiences around gender identity and expression, and sexual orientation. The club is open for student input and planning of activities, school events, and promotion of awareness in the school.

Creative Writing - Ms Benevenia 278: Creative Writing Club is an opportunity for students to flex their creative writing muscles and gain some skills in the crafts of storytelling, poetry, songwriting, playwriting, and more. Students will learn how to create and utilize sensory details and figurative language to enhance their writing, and will learn how to commit to the writing process effectively.

Soccer Club - Ms Parks 129: Come join us for soccer fun. We will meet in room 129, then head across the street to Memorial Park to play soccer with friends. The goal of the club is to use the game of soccer as a way to bond, learn, and work together. It's also a way to get some exercise and have fun. Please make sure to wear sneakers and bring water. Soccer balls will be provided.

THURSDAY

Stay Late and Create - Ms Reisman 296:

If you love art and meeting new people, this is the perfect fit for you. Each week, bring your own craft, design, and materials. We'll be trying different materials, techniques, and you'll have the chance to create what you would like to do. Sessions are 1 hour of art, 1 hour of design, and 1 hour of ne-time. **\$5.00 supply fee for the 6-week session.** Max of 24 students.

Real Talk - Mr Stoudemire 285B: "Real Talk" group that identifies leaders and works on developing those skills in a welcoming safe environment.

School Beautification - Ms Moran 289: Paint MMS Beautiful! Help us make MMS a beautiful place to learn by completing a "paint by number" ceiling tile for our hallways. Whether you're a confident artist or just new to painting, the "paint by number" format gives you the guidance you'll need to create a work of art and make walking our halls an experience to remember. Visit Ms Moran in 289 for more information.

Adventurers - Mr Palmgren 156: Role-play as a famous adventurer racing through mysterious fantasy realms. Use history, geography and mythology to outwit mystical opponents, solve puzzles, avoid traps and gain the power to save the universe.

Chess Club - Ms Gibson 165: Check Mate! Learn the game of chess and compete in daily chess tournaments! Calling students from all levels- beginner, intermediate, and advanced to learn new chess moves or how the game works. Are you the next chess grandmaster at MMS?

Basketball Club - Coach Brandon: The goal of this club is to encourage the game of basketball as a way to bond together. Please make sure to wear athletic shoes. Basketballs it students should bring water to stay hydrated. **JB will meet from 4:15pm-5:15pm.** **15 students.**

Hip-Hop and R&B Appreciation Club - Mr Rodriguez
130: This club would give the students a space to learn about and appreciate classic and modern Hip-Hop and R&B music. During the club, students can select music to analyze, dissect, and appreciate within a safe space at MMS. Music selections will also be shared to provide students with a space to share and discover new music with their peers. All music selections must be clean versions of songs to be listened to in class.

Fantasy Book Club - Ms Benevenia 278: We will read, watch, and discuss works of fantasy fiction, and how these imagined worlds can tell us more about our own world! We will read books and watch movies such as

Percy Jackson, Harry Potter, and Lord of the Rings, and watch tv shows like The Dragon Prince and Avatar the Last Airbender.
