

Welcome to my T.O.S sheet. **Please** read all of the following before commissioning me!

T.O.S:

- I do **NOT** permit usage of my work for NFTs, AI, blockchain-related technology, cryptocurrency, or **ANYTHING** of the sort; past, present, and future!
- Client does **NOT** have legal ownership of the artwork, only the respective character[s] that they've commissioned me to draw.
- Client is **NOT** allowed to make alterations to the commissioned work. Should they wish to have it edited, they should speak with me first.
- Client is **NOT** allowed to claim said work as their own and re-sell it.
- Client **IS** allowed to post commissioned work on their social media sites, as long as proper credit is given. [by linking any of the socials listed on my Linktree @ Runeyra]
- Client **IS** allowed to ask for changes made to the commissioned work. [Changes are best asked for **during the sketching process**. After sketching, changes are difficult to make, so **please be upfront and honest with me about all concerns!**]
- Client **IS** allowed to request progress shots by DM on Discord @ Runeyra, or Bluesky @ Runeyra.
- Client **IS** allowed to claim multiple commission slots of their choosing.
- Client **IS** allowed to commission work for someone else, as long as the person in question is okay with it.
- Refunds are at my discretion; Client must be fully-aware of this.
- Payment is due up-front via Paypal/Cashapp when all details are final! I will begin working when payment is received.
