Dear Heartland Families,

It is hard to believe that we have completed our first quarter of the 25-26 school year and Fall break is here. I hope you and your family have a restful and relaxing break.

The purpose of this letter is to inform you that due to enrollment numbers in Kindergarten, 1st, 3rd and 5th grades, we may have to do some reassigning of students. This is in order to balance out the student enrollment among the classrooms. While we understand students have adjusted to their teacher and schedule, we unfortunately have some classes that need to be adjusted so that the teacher can have a class that is of reasonable class size that is comparable to other classes in that grade level.

If your child is going to be one that has to move please know we will contact you in advance to discuss the change and the reasoning as to why we are recommending the move. Please know we don't usually move students after the year starts, however, we want to ensure all students are able to learn in a classroom with an appropriate class size.

If you have any questions or concerns. Please don't hesitate to reach out to any member of the administrative team. Thank you for your support and understanding.

Respectfully,
Emily Campbell
