

TUHSD Portal

TAMALPAIS UNION HIGH SCHOOL DISTRICT

What is the TUHSD portal? This is a landing page where you can access everything you need and more, for your classroom or office. Depending on your role, your portal may have applications specific to your role. For example, digital textbooks specific to a class will only appear for those teaching that class. If you need to sign in to any of these applications, please the single user sign on (sign in with google) for all applications found in the portal if they require signing in.

The TUHSD portal can be accessed the following ways:

- When you open your Chrome browser, a new tab will automatically open to the Portal
- Type in this URL <https://launchpad.classlink.com/tamdistrict>
- Go to your school site website, click on “Staff Resources” and find the link to the TUHSD portal
