New to MCSD Registration Instructions

How do I register my student(s)?

1. **Complete Online Registration**

   Brand New Families to District - Families with no students currently in district.

   For families brand new to our district AND do not have any siblings currently in the district, follow this link. If your student has attended preschool in the district, do not use this link. Please see the instructions above.

   If you are having problems accessing Online Registration or having issues completing it, we are here to help you. Here is a link to our Registration Help Open House flier.

2. **Gather documents needed for Kindergarten Registration**
   a. Birth Certificate (not needed if you are coming from ECC Preschool)
   b. Two forms of address verification (bill with address, bank statement, rental agreement)
   c. Immunization Records.

Please bring these forms to orientation in August.
