Boys and Girl Middle School Track

The boys and girls middle school track teams traveled to Davison last night for the middle school championship meet. The girls team finished 5th out of 16 teams, and the boys team finished 6th out of 16 teams.

It was a good finish to another outstanding track season by our middle school teams. All team members need to make sure that they turn in their tank tops to the office at either the high school or middle school so they are not charged for them.

Track team members who think they may qualify for the honor roll meet need to watch the Heja app. on Monday to see if they will be participating.
