

Name of Policy: Network Support for On Campus Housing
Source: Campus Technology
Form to Complete: N/A

Policy:

Campus Technology:

- Barbara Marshall Residence Hall
 - Provides a working wireless and wired network connection in each room
- KCAI Studio Apartments
 - Provides a working wireless connection in each room
- Provides documentation on how to set up individual machines to connect to the Internet
- Provides a KCAI account to each student for KCAI digital communications, email, chat, video meetings, etc.
- Assists with network configurations to connect to the internet as needed

Students:

- Will have a 100/1000 Ethernet port or wireless network connection available on their device
- Before campus hook-up, the device must have a current internet browser installed, such as Firefox, Edge, Chrome, Safari, etc.
- Will provide an ethernet cable for wired connection. Students may purchase these from the KCAI Art Supply Store
