Using Pear Deck

- Pear Deck Add-on for Slides - [Slides Add-on link](#)
- Overview
 - Pear Deck lets you add interactive elements to your slides including multiple choice, text entry, numeric entry, drawing, and draggable activities.
 - You can insert pre-made template slides provided in the Add-on.
 - Or you can add interactive elements to slides you have already created.
 - When you present the slideshow through the Pear Deck Add-on, students join the presentation and can interact with it.
