

Privacy Policy — Apelsin App

Last updated: August 8, 2026

Apelsin Premium Restaurant ("we", "us") operates the Apelsin mobile application.

Information We Collect:

- Full name and phone number (for account registration)
- Date of birth (for birthday offers)
- Location data (for delivery service)
- Purchase history (for cashback calculation)

How We Use Your Information:

- To provide loyalty cashback services
- To send push notifications about orders and offers
- To process food delivery requests

Data Storage:

Your data is stored securely on Supabase servers.

Third-Party Services:

- Firebase (Google) — phone authentication and push notifications
- Supabase — database storage
