So over the past few days I went over:
- How to effectively train for PCC without spending lots of time at the range
- What to practice to win PCC matches this season
- How to have the confidence that you've trained to be the best shooter you can be this upcoming seaon

All of this goes back to my new **Pistol Caliber Carbine Training Program.**

In today's video I'd like to go over what you can expect when you pick up this program that goes on sale TOMORROW!
