

Privacy Policy for "Bubble Shooter"

Introduction

This Privacy Policy governs the manner in which "Bubble Shooter" collects, uses, maintains, and discloses information collected from users of the game.

Information Collection

"Bubble Shooter" does not knowingly collect personally identifiable information from children under 13. However, the game may collect non-personal information that doesn't directly identify users. This information includes gameplay data, device information, and other non-identifying information for the purpose of game functionality and improvement.

Ads

The game may contain third-party advertisements that may collect non-personal information for ad targeting purposes. However, these ads are screened to be age-appropriate for children under 13.

In-App Purchases

The game may offer in-app purchases, but these transactions are designed to be inaccessible to children without parental consent.

Parental Consent

We strongly encourage parents to monitor their children's online activities and ask for parental consent before allowing children under 13 to provide any personal information within the game.

Data Security

We prioritize the security of all data collected and have implemented appropriate measures to safeguard and secure this information.

Changes to This Privacy Policy

We reserve the right to update or modify this Privacy Policy at any time. Users are encouraged to frequently check this page for any changes.
