- Come prepared with materials, including spiral notebook, folder, chromebook and charger EVERY DAY!
- Communicate with the teacher! Parents and students should feel free to reach out with any concerns, academically or otherwise.
- Ask questions and work hard, a little struggle will pay off. Nothing easy was ever worth doing!
- Cell phones will be put into each student's respective calculator pouch at the beginning of each class period. Any student found with a cell phone after collection will follow the consequences outlined by administration.
- Any student wishing to leave the room for any reason (bathroom, nurse, chromebook repair, etc) must submit an E-Hallpass. Students are encouraged to use the bathroom during independent practice time, NOT during instruction, except in emergencies.
