

Southern Equality Research Grant
Budget Justification Form

Please provide a brief justification for the expenses in your estimated budget. This justification will help the SERPC team to review and approve your budget.

Supplies

Per trauma-informed guidelines related to research, compensation should be offered for time spent completing the questionnaire, especially as it is geared to address needs of a vulnerable community. Therefore I will need \$1,250 to be able to compensate participants a \$50 VISA gift card each with 25 participants.

I also plan to travel to my professional conference in 2027 and will need assistance paying for (1) plane ticket at \$350 and lodging for four to five nights at \$400.

Thank you for your consideration!
