Orbit Terms of Service

Effective Date: October 25, 2026

1. Introduction

Welcome to Orbit ("the Bot", "Orbit", "we", "our", or "us"). By inviting, accessing, or using Orbit within any Discord server, you agree to comply with these Terms of Service ("Terms").

If you do not agree to these Terms, you must discontinue use of Orbit and remove it from your server.

---

2. Eligibility

You must comply with:

- Discord's Terms of Service
- Discord's Community Guidelines
- All applicable laws and regulations

You are responsible for ensuring that your use of Orbit does not violate any rules established by Discord or your local jurisdiction.

---

3. Use of the Service

Orbit is provided to assist Discord communities and ER:LC-related operations.

Users agree not to:

- Abuse, exploit, or interfere with Orbit's systems.
- Attempt to gain unauthorized access to Orbit's infrastructure.
- Use Orbit for unlawful, harmful, or malicious purposes.
- Circumvent restrictions, permissions, or security measures.
- Spam commands or intentionally disrupt service availability.

Orbit may restrict access to users, servers, or communities that violate these Terms.

---

4. Availability

While we strive to maintain a reliable service, Orbit is provided on an "as-is" and "as-available" basis.

We do not guarantee:

- Continuous uptime
- Uninterrupted functionality
- Error-free operation
- Compatibility with all servers or configurations

Features may be modified, added, limited, or removed at any time without notice.

---

5. Data Collection

Orbit may collect and process limited Discord-related information required for operation, including but not limited to:

- Discord User IDs
- Server IDs
- Channel IDs
- Role IDs
- Command usage information
- Configuration settings

This information is used solely for providing and improving the service.

For further information, please refer to Orbit's Privacy Policy.

---

6. Server Administration

Server owners and administrators are responsible for:

- Configuring Orbit appropriately.

- Managing permissions granted to Orbit.
- Monitoring the use of Orbit within their community.

Orbit is not responsible for moderation decisions made by server staff.

---

7. Intellectual Property

Orbit, including its branding, software, code, design elements, and associated materials, remains the property of the Orbit Development Team unless otherwise stated.

Users may not:

- Copy or redistribute Orbit's source code without authorization.
- Reverse engineer protected systems.
- Misrepresent Orbit as their own service.

---

8. Limitation of Liability

To the fullest extent permitted by law, Orbit and its developers shall not be liable for:

- Data loss
- Service interruptions
- Server moderation disputes
- Indirect or consequential damages
- Loss of profits, reputation, or opportunities

Use of Orbit is at your own risk.

---

9. Termination

We reserve the right to:

- Suspend or terminate access to Orbit.
- Block individual users or servers.
- Remove features or services.

Termination may occur at our sole discretion, with or without prior notice.

10. Changes to These Terms

We may update these Terms from time to time.

Continued use of Orbit after any changes become effective constitutes acceptance of the updated Terms.

---

11. Contact

For support, questions, or concerns regarding these Terms, contact the Orbit Development Team through the official Orbit support server.

---

12. Acceptance

By using Orbit, inviting Orbit to a server, or interacting with its features, you acknowledge that you have read, understood, and agreed to these Terms of Service.
