Event Name: Civil Society (*Non-Commercial User Constituency) Outreach Event at ICANN81*

Date: *11.11.2024*

Time: *15:00 - 16:00*

Venue: Room *3B60*

Event Overview:

Join us in ICANN81 event,Istanbul, as we engage with stakeholders from around the globe and particularly based in Turkey (Region) in a focused discussion on strengthening civil society and non-commercial engagement in both ICANN and a broad Internet Governance multistaholder landscape. This outreach event aims to bring together academics, civil society champions, policy makers, digital rights activists and nonprofits to explore key issues shaping the future of the Internet governance ecosystem.

Objectives:

- *To raise awareness about your NCUC's activities and recruit members.*
- *To collaboration with new and existing partners within the domain name system.*
- *To discuss ICANN hot topics of interest to the audience eg new gTLD, DNSAbuse, etc.*

Target Audience:

- ISOC Istanbul members
- Students (youth)
- Digital rights activists
- NGOs
- Academic and research communities
- Any individuals interested.
