

Privacy Policy for Alexa - Smart Voice Commands

Effective Date: July 30, 2025

Introduction

Welcome to Alexa - Smart Voice Commands. Protecting your privacy is important to us. This Privacy Policy outlines the types of information we collect through your use of our app and how we utilize, share, and protect that information. By using Alexa - Smart Voice Commands, you agree to the data practices described in this policy.

Information We Collect

Alexa - Smart Voice Commands collects three types of data from its users:

1. User ID
2. Device ID
3. Product Interaction

The primary purpose of collecting this data is for analytical reasons, to ensure we continually improve our services and provide a better user experience.

User Registration/Authentication

Our application does not require user registration or authentication. You can use Alexa - Smart Voice Commands without creating an account.

Subscription and Paid Features

We offer premium features available through automatically renewing subscriptions. When you subscribe, your payment will be deducted from your iTunes Account at confirmation of purchase.

Third-party Services

To enhance our application and offer a robust user experience, we utilize third-party services:

- Firebase for analytics
- ADJust for advertising

These services may have access to certain information collected through our app, under strict contractual agreements.

Age Restrictions

Alexa - Smart Voice Commands is designed for users aged 4 and up, ensuring it's accessible and safe for a broad audience.

Cookies and Data Processing

Our application does not use cookies or engage in any data processing outside of the methods described in this policy.

Changes to Privacy Policy

We may update our Privacy Policy from time to time to reflect changes in our practices. If we make significant changes, we will notify you through the app or other means, prior to the changes becoming effective.

Contact Us

For questions or concerns regarding this Privacy Policy, feel free to reach out to our team. As this information is confidential, specific contact details are not publicly listed.

Conclusion

Your privacy matters greatly to us, and we are committed to protecting your information and providing you with a secure experience while using Alexa - Smart Voice Commands. Thank you for trusting us.
