

THE HISTORY OF OUR REALM

Please try to cite things with links to reddit posts or imgur.
Short descriptions of events are better than a narrative or list.

Contributors list moved to end of document.

You can leave comments right click.

Short reddit links, from the right sidebar of the post are preferred.

Dates are found in the sidebar as well.

More in-depth information about events, groups, locations, and prominent players can go on <http://minerap.wikia.com>. I created this becuitykause odd123 said he had basically quit on his wiki, and because I think wikia looks better and will be used more. No, I did not ask for anyone's permission to do this.
