BIM Recap

Crummy weather certainly affected attendance, but overall I think we agreed it was a success.

Setup and takedown was good, except for everyone showing up right at 5 and I'm not sure if we had more than one other person helping setup.

¾ of the entertainment canceled, weather, injury, etc, and maybe 2 vendors as well but we were happy with the setup

[Treasury Reports](#)

update any leftover yard signs and put out a week before next time

Idea to bring back drive in movie events?

Ice Cream Social Aug. 1 6:30

Carter scheduled with the school, tables and chairs, will probably buy ice cream

Joy/Sarah looking into first responders visiting, police, fire, ems, etc

Joy/AnneMarie will work on fliers

BNA table, Ria might host? Sarah has literature and Jeannie(?) has small poster

Joy has small whiteboards, will lend to AnneMarie

Post on social media, Carter/Stephanie

Random games, egg drop sack races, conversation table, etc

Name tags?? With name and street for bingo or something

Music? Bluetooth speaker at least?

Harvest Days

No huge update, need to gather feedback still

Greenways

Has funding to buy land for community garden, Sarah has her eye on an undisclosed plot in the birchwood core

City would purchase land, prepare the site, and provide water, and?

If we rallied a large support from the neighborhood, then greenways would be bound to help

How to contact people in the neighborhood??

Sarah to share the doc with all

Ask King Mountain how they set up their community garden

Make page on site about this with a survey to spread around the neighborhood to gather info and contacts until we reach some sort of critical mass, Carter?

Contact tenants via landlords?

Potential committee Eric, Ria, Carter?

Signs

July 30 or 31 need to meet and choose a design for the neighborhood signs, then meeting on Aug. 1 to finalize

Smaller signs for trails etc.
