

Sponsor Stream Guidelines

Firstly, a sponsor stream is one night only, and costs \$125.

The sponsor of the stream gets to set the theme, and establish the looser rules for the stream. These rules will be worked out between me and the sponsor, but there are certain rules that are set in stone and will not be altered.

Permanent Rules

- 1 pic per person (If all eligible people have gotten art already, and the stream is not over - then seconds are okay.)
- 1 character per pic
- Black and White lineart only. (Sponsors may color the lines themselves, or seek to get them colored later at additional cost.)
- Doom has right to refusal on keyword choices.
- Folks will be chosen via Rando, Royal Guard powers do not apply. (Sponsor does get to call dibs when they want to do their pic.)
- All pictures will be drawn live - no offline pictures.

Optional Rules

- 3 Keywords or less (I wouldn't allow more than 3)
- Patrons only
- You can restrict allowable characters, such as "no generics" or "only generics". This includes whether or not OCs are eligible.

How to become a Sponsor

Send me an email with the Subject "Stream Sponsor", and include your intended theme in your email.

Sponsors will be added to the list in order received, and when a sponsor stream night comes onto the schedule the person at the top of the list will be given the first chance to claim that night.

If you are not able to sponsor at that time, you will be skipped over and the next person on the list will be contacted. If you are skipped, you will not be moved from your spot, so you will have another chance at a later date.

After you have sponsored a night, you will be moved to the bottom of the list.

You can change your theme idea from your initial one sent in the email, but it must be decided for good before you pay. Once you have sent payment you can't change your mind. I also reserve the right to reject theme ideas if I don't care to do them. If your theme is rejected, you will be allowed to think of a new one or choose to pass on your turn.
