1. Introduction

Sveox Interval Timer ("we," "our," or "us") is committed to protecting your privacy. This Privacy Policy explains how your information is collected, used, and disclosed by Sveox Interval Timer.

This Privacy Policy applies to our application named Sveox Interval Timer, and its associated subdomains (collectively, our "Service"). By accessing or using our Service, you signify that you have read, understood, and agree to our collection, storage, use, and disclosure of your personal information as described in this Privacy Policy and our Terms of Service.

2. Information We Collect

Personal Data: We do not collect any personally identifiable information (PII) such as your name, email address, or phone number. All data related to your workouts is stored locally on your device.

Usage Data: We do not collect any usage data or analytics. The application operates entirely offline (except for checking for app updates via the app store).

3. Use of Data

Since we do not collect any personal or usage data, we do not use your data for analysis, tracking, or marketing. Your data is used solely within the application to provide the timer functionality.

We use a Foreground Service to ensure the workout timer continues to run accurately and provide voice/sound alerts even when the screen is locked or the app is in the background.

4. Data Storage

All your workout data, programs, and history are stored locally on your device. We do not have access to this data and it is not uploaded to any external servers unless you explicitly choose to back it up using system-level backup features (like Google Drive backup for Android).

5. Third-Party Services

We do not share your data with any third-party services. The application does not use any third-party analytics or advertising frameworks that collect user data.

6. Children's Privacy

Our Service is not intended for anyone under the age of 18. Since we do not collect any personal data, we do not knowingly collect personally identifiable information from anyone under the age of 18.
