

## Meal Resources

### Escambia County School District Meals

- Escambia County School District's Food Service Department has updated the list of school sites where families will be able to pick up breakfast and lunch, for free, **ending May 22**. All sites will be open from 9:00 a.m. to 12:00 p.m. to give children or teens a breakfast meal and a lunch meal during the same visit.
- The meals provided by the ECSD sites are designed to be carried away and consumed off campus (cafeteria/dining rooms will not be open). Meals will be distributed in a curbside pick-up operation. Food items will be in to-go containers and will consist of ready-to-eat food items that should be consumed when received or should be quickly refrigerated for consumption at a later time.
- According to the USDA's policy, *the child or children must be 18 and younger; and children do not have to be a student at that school in order to pick up meals there. Therefore, parents might want to periodically check the list of open sites.*
- **Additional sites:** If families need to locate a source that is closer to them, they can go to: <https://summerbreakspot.freshfromflorida.com/> Users enter their address, and set a distance range, to see a map showing food service sites near them. The sites are labeled "Summer Food Service," but they will be available this Spring due to the pandemic. Sites opening this spring may not be the same as the sites that were open last summer, so please check the locations, dates and times before you go.

**ECSD's distribution sites, ending May 22, 2020, will include:**

- Jim Allen Elementary School, 1051 Hwy. 95A North, Cantonment, FL 32533
