## Measurements:

- Petal Pink: 8 X 5 1/2 scored at 4 and burnished with the Bone Folder, remainder of sheet for stamping and diecutting main image
- 4 1/2 X 2 inches of Mango Melody and Cajun Craze for banner
- 4 X 5 of Cajun Craze DSP with dotted lines

## Instructions:

1. Stamp the main Fond of Autumn image twice on Petal Pink with Cajun Craze. Die cut one of the images with the die that cuts the whole image, and die cut the second image with the die that cuts the image into pieces. Color the main image with watercolor pencils (I used Calypso Coral, Daffodil Delight, Early Espresso, Melon Mambo, Old Olive, Pumpkin Pie, Real Red, Rich Razzleberry, white, Cajun Craze, Cherry Cobbler, Crushed Curry, Flirty Flamingo, and Granny Apple Green) and the leaf/berry portion shown in the bottom right.
2. Stamp the banner image and "SENDING MANY THANKS": sentiment with Versamark on Mango Melody cardstock. Emboss with copper embossing powder. Die cut the embossed banner and another banner in Cajun Craze.
3. Hand tear the edges of the DSP revealing the white inner core. Color the edges with the light Pumpkin Pie blends marker.

4. Stamp the leaf image from Texture Chic stamp set onto the front of the card with Petal Pink ink. Stamp off the base leaf image once before stamping onto the card.
5. Adhere the torn DSP panel to the front of the card using Tear and Tape being sure to allow space for the leaf/berry branch to be tucked underneath the bottom of the panel. Adhere the main image over the DSP using Stampin' Dimensionals. Adhere the embossed Mango Melody banner offset onto the Cajun Craze banner with mini Stampin' Dimensionals. Adhere banner to water colored image with Tear and Tape.
6. Affix Amber Gems to the front of the card.
