Course Description:

Are you ready to transform your bridal and fashion portfolio, increase your bookings, and establish your brand as a luxury wedding photographer? Join us for a one-day immersive workshop in the heart of Los Angeles, where you'll have the opportunity to learn from two master photographers who have achieved remarkable success in the industry.

Workshop Highlights:

Styled Bridal Couples: You'll have the chance to work with three distinct styled couples, each offering unique photographic opportunities:

- Fashion Forward Styled Couple: Capture the essence of high fashion and modern romance.
- Traditional Bridal Couple: Embrace classic bridal elegance and timeless beauty.
- Engagement Styled Couple: Perfect your skills in capturing the magic of love..

Iconic Venue: Immerse yourself in the breathtaking surroundings of one of Los Angeles' most iconic and picturesque locations, chosen for its history in numerous movie and television scenes.

Signature Lighting and Posing: Our master photographers will demonstrate their signature lighting and posing techniques in real time. Unlock their secrets for creating stunning compositions that have earned them millions of dollars in the industry.

Networking Opportunities: Connect with fellow photographers and build valuable friendships. Share insights, experiences, and ideas to help you grow in your craft.

Mentoring and Coaching: Extend your learning beyond the workshop with an optional Q&A dinner, where you can seek personalized advice and guidance from the mentors.

Social Media Buzz: Learn to create content that will keep your social media feed buzzing with bridal inspiration, attracting potential clients to your portfolio.

Low-Cost Investment: This workshop is a low-cost investment that has the potential to significantly boost your wedding photography business, potentially earning you thousands of dollars in bookings.
