

## Stan and Pam go to the park

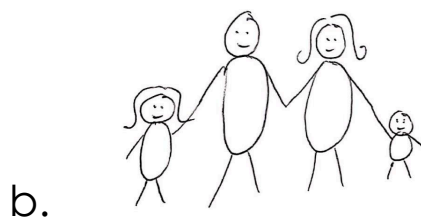

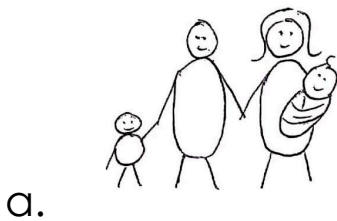

Stan and Pam have two children. Their son is three years old. His name is Dan. Their daughter, Sara, is six months old. She is a baby. They go for a walk in the park.

Pam holds Dan's hand. Stan pushes Sara in the pram. She has a nap.

They see a cat. The cat is with a man. The man has a red hat. The man gives the cat a tin of tuna. The cat eats the tuna. Dan pats the cat.
