

DAPC Vendor Information (Updated 1/10/2023)

- DAPC hosts at least one large event each month. These are the basic vendor terms for our markets.
- DAPC reserves the right to reject your application. Please see our Code of Conduct located on our homepage for details on acceptable market behavior.
- Non-refundable \$15 placeholder fee, which will be requested with a due date when accepted as a vendor. This will secure your place and ensure that we have a full lineup. The placeholder fee is part of the total fee due. This placeholder fee is non-refundable regardless of inclement weather.
- Vendor fee is \$35. This fee is subject to change. All funds collected by DAPC are used to pay for entertainment, hosting fees, and event supplies and decorations. We also donate to a charity with each event. You can find a list of local contributions we have made under the About DAPC button on our homepage.
- Vendor fee does not apply to public service non-profit booths (e.i. voter booth, sponsors).

- Spaces will be mapped out prior to the event. You will be walked to your space by a DAPC member. Vendors are responsible for bringing their own set-up, including table, chairs, and decorations.
- DAPC selects vendors based on variety and how well your products flow with our market theme. Applying does not mean you are accepted. We will contact you via the email provided in your application whether you are accepted or not.
- Vendors must apply for each market they are interested in. DAPC does not keep a list of past applicants to contact. Turn on notifications for DAPC on Instagram for our most up to date information on upcoming events. Instagram: @dapc940
- Specific details will be emailed to selected vendors about load in, parking, raffles, etc.
- Events that require canopies will also require canopy weights of 25lbs or more.
- Contact DAPC directly with any questions or market inquiries. To avoid scams and booking issues, DAPC requires vendors to contact us directly to request our vendor application link with each market. Do NOT share our link with others. Sharing our application link will disqualify you from participating in our market and possibly any future DAPC events.
