

Hillside Student Community School

Work Party Sign-Up, 2023-2024

Please sign up for one work party on this page, and one activity on the Parent Support Activity page linked on the [website](#).

Work parties include various activities such as cleaning, furniture moving, painting, light carpentry, errand runs, and more cleaning. You are welcome to bring your student with you *if* they are able to work without supervision; ***please do not send your student in your place.***

Fill in your name/your student's name in the blank space following a number under the work party date for which you would like to sign up.

Your \$600. Parent Support deposit is billed per family, and is distributed between a Support Activity (\$400) and a Work Party (\$200). Deposits for re-enrolling families who participate in both are rolled over to the following school-year. Deposits for families moving on are returned after the completion of all the summer work parties for that school-year. Families who choose not to participate are billed prior to the start of the next school year for a new deposit. *The pleasure of working alongside you to build community is enjoyable and important to all of us: students, staff, and families.* The deposit exists only to cover the resulting need to hire assistance when your help is not there.
