Chair: **Berta Sousa**, Champalimaud Foundation, PT

Marianna Masiero, University of Milan & IEO European Institute of Oncology, IT

10:00 - 10:30 [FAITH Project: study design and recruitment status](#)

Chair: **Xenia Beltran**, Universidad Politécnica de Madrid, ES

Raquel Lemos, Champalimaud Foundation & ISPA, PT

10:30 - 11:00 [FAITH Project: results and insights](#)

Chair: **Fernando Luís Ferreira**, Department of Electronic and Computer Engineering FCT/UNL
Uninova, PT

Xenia Beltran, Universidad Politécnica de Madrid, ES

11:00 - 11:30 Coffee Break

11:30 - 12:00 [Mental health in cancer](#)

Chair: **Albino J. Oliveira-Maia**, Champalimaud Foundation & NOVA Medical School, PT

Susana Sousa Almeida, Instituto Português de Oncologia – Porto (IPOP)
& Hospital CUF Porto, PT

“AI and Smart Technology in Mental Health Care for Cancer Survivors” conference

12:00 - 13:00 [Biomarkers for healthcare in cancer: Blood, Brain, Behaviour](#)

Chair: **Raquel Lemos**, Champalimaud Foundation & ISPA, PT

José Oliveira, Champalimaud Foundation & NOVA Medical School; **João Duarte**, Champalimaud Foundation & **Pedro Ferreira**, Champalimaud Foundation, PT

13:00 - 14:00 Lunch

14:00 - 14:30 [Empowering cancer patients: the intersection of Psychology, Technology, and Health Behaviour](#)

Chair: **Gary McManus**, South East Technological University, IE

Jane Walsh, mHealth Research Group and School of Psychology, University of Galway, IE

14:30 - 15:00 [The Cancer survivorship - AI for well-being - Cluster](#)

Chair: **Gary McManus**, South East Technological University, IE

Tom Flynn, TFC Research and Innovation Limited, IE

15:00 - 16:00 [Round table - Mental health in cancer survivors - Is there a place for technology?](#)

Chairs: **Berta Sousa & Nuno Gil**, Champalimaud Foundation, PT

Medical oncologists:

António Araújo, Centro Hospitalar Universitário do Porto; School of Medicine and Biomedical Sciences - ICBAS & University of Porto, PT

Psychiatrists:

Albino J. Oliveira-Maia, Champalimaud Foundation & NOVA Medical School, PT

Nazanin Derakhshan, University of Reading, UK

Technology:

Jane Walsh, mHealth Research Group and School of Psychology, University of Galway, IE

Advocates:

Tamara Milagre, EVITA, PT

Patients:

Dulce Brites, Cancer survivor, PT

16:00 - 16:15 [Closing remarks](#)

Albino J. Oliveira-Maia, Champalimaud Foundation & NOVA Medical School, PT
