Items To Choose From:

Clown Nose - *Will cause the wearer to transform into a silly clown based on their inner silliness.*

Shrinky Dinks Soda - *Will cause the drinker to shrink down to the size of a mouse (or smaller depending on how much they drink)*

Whoopie Cushion - *Will cause a very impressive round of butt expansion to the person who uses it.*

Blueberry Cordial - *Will make the drinker start to turn blue and inflate into a giant sphere of blueberry flesh*

Inflat-o-Ray - *One zap, and the target will begin to inflate like a balloon, floating off the ground and changing shape to become more balloon-like.*

Clown Shoes - *Wearing these without a clown nose will cause one's feet to grow large to fit inside the shoes.*

Plump Potion - *Drinking this will cause a massive weight gain to occur, but it will not affect the drinker's clothing.*

(See Next Page for More)

Empty Space on Shelf - *Exploring this space on the shelf will lead to someone becoming an inanimate object to be sat on the shelf in that space.*

Gender Bender Wand - *Self Explanatory, but anyone tapped by this magical wand will swap gender.*

Goofy Juice - *Drinking this will cause a strange transformation that will reshape one's face to have larger, sillier looking features without being a clown. It can also effect one's body shape overall.*

Harlequin's Truth Ale - *Drinking will change the drinker into a clown, but their transformation will be open to suggestions by those around them.*
