Rough Plan

Part 1: Forward and Introduction

Part A: Forward:

What do you hope to learn from this project?

Why did you choose this topic?

Part B: Introduction

What is your project about?

What are your questions?

What do you already know?

How do you plan to do this project?

Part 2: Research Summary

Chapter 1 = 2-3 articles and your first research question

a) How do the articles answer your first research question?

Make sure to say the name of your articles here.

b) What are the main points?

c) List some unexpected ideas or problems you found.

d) What are some useful facts in these articles?

e) What are some limitations about your articles?

f) What is your conclusion about this article?

Chapter 2 = 2-3 articles and your 2nd research question

a) How do your articles answer your second research question?

b) What are the main points?

c) List some unexpected ideas or problems you found.

d) What are some useful facts in this articles?

e) What are some limitations with these articles?

f) What is your conclusion about these articles?

Chapter 3= 2-3 articles and your second research question

a) How do the two articles answer your third research question?

b) What are the main points?

c) List some unexpected ideas or problems you found.

d) What are some useful facts in this articles?

e) What are some limitations with these articles?

f) What is your conclusion about these articles?

Part 4: Closing

Part A: Conclusion

Write about 120-140 words.

 What is some background information on your topic?

What are your conclusions?
Repeat the conclusions from chapters 1, 2, and 3

What are your feelings about what you learned?

What have you learned about your topic?

Part B: Reflection

How has this changed or influenced your way of thinking?

How does what you learned impact your community?

What are some recommendation that you can make for your community/society at large based on what you learned?

Part 5: Closing – Bibliography

Write a bibliography page which includes the names of your sources as well as a list of Internet sites you have used in alphabetical order.
