Article : Budget Overview:

§ 1. The budget in totality shall read as the following:

Amount of tau	Purpose
3,050t	Department of Defense
1,600t	Department of Technology
2,500t	Department of Voter Registration
3,000t	Department of State
5,000t	Department of Treasury
3,100t	Bureau of Business Innovation
2,600t	The Senate
1,000t	Minecraft Executive
25,700t	Department of Justice

2,300t	Supervisor Pay
49,850t Total	—

§ 2. If any payroll was left off of this budget, it shall be paid from the Government Reserve account, and recorded to better plan for said payroll next IFR.

NOTE - Any surpluses left at the end of the budgetary cycle gets sent back to the Government Reserve account, so in all likelihood the budget will be less than the total listed, I just wanted to make sure that departments had funds to work with.
