CLASSROOM VISITS

Helping children to comfortably separate (say good-bye) from their parents is a key component in the program. In order to ease the process, parents and teachers work together to create a bridge between home and our program.

During the classroom visit we will:

- Introduce ourselves and answer your questions.
- Play and show your child around the classroom

We have found that when a parent feels comfortable in our school environment, the child will as well. Therefore, during the 20 minutes of this classroom visit, please feel free to join us in our games with your child and ask us any questions !

What to bring during classroom visits

In order to ease up the logistics on the first day of school, please bring :

- Labeled set of extra clothes **in a bag** (underwear, socks, seasonal clothes)
- Labeled inside shoes (ballet shoes, Toms or crocs are advised so their feet don't get too hot)
- Labeled fitted crib sheets & a small blanket, if applicable (*sent home every Friday to be washed, please bring back on Monday*)
