Measure N Expenditure to be considered for CSSP instead: / Gasto de la Medida N para considerarse en el Plan Comunitario:

Consultant Contract with Bay Area Community Services (BACR) to process and pay-out the Student Internship Stipends for participating in the Work-Based Learning (WBL) career preparation and training experiences, through June 30, 2023. The students will be able to complete **Media or Architecture** internships related to the pathway field by completing client work for school-based and external clients. In many cases they may be able to complete this client work online, through remote desktops and use of industry applications online (i.e. Adobe Premier). Students acquire 1) Professional Communication Skills. 2) Career Exploration 3) Community College Orientation and Education Plans. 4) Demonstration of Mastery Prep. Students would engage in Virtual Internships and Online Career Oriented Peralta college classes. This allocation is not an existing allocation anywhere in our 2022-2023 school budget. Student interest is high and we are confident we can spend these funds to support 30 students. Internship stipends have increased the participation of students in our pathways. (30 stipends x \$1,000 per student + 15% Consultant contract oversight fee = \$34,500.00)

TRADUCCION:

Contrato de Consultor con los Servicios Comunitarios del Área de la Bahía (BACR) para procesar y pagar los Estipendios de Pasantías para Estudiantes por participar en las experiencias de capacitación y preparación profesional del Aprendizaje Basado en el Trabajo (WBL), hasta el 30 de junio de 2023. Los estudiantes podrán completar Pasantías en medios digitales o arquitectura relacionadas con su Academia dentro de la escuela o con clientes externos. En muchos casos, pueden completar este trabajo de cliente en línea, a través de escritorios remotos y el uso de aplicaciones de la industria en línea (es decir, Adobe Premier). Los estudiantes adquieren 1) Habilidades de comunicación profesional. 2) Exploración de carreras 3) Planes de educación y orientación de colegios comunitarios. 4) Demostración de preparación para el dominio de habilidades profesionales. Los estudiantes participarían en pasantías virtuales y clases universitarias de Peralta

orientadas a la carrera en línea. Esta asignación no es una asignación existente en ninguna parte de nuestro presupuesto escolar 2022-2023. El interés de los estudiantes es alto y estamos seguros de que podemos gastar estos fondos para apoyar a 30 estudiantes. Los estipendios de pasantías han aumentado la participación de los estudiantes en nuestros caminos. (30 estipendios x \$ 1,000 por estudiante + 15% de tarifa de supervisión del contrato de Consultor = \$ 34,500.00)
