

The Title of the Paper should be in this Format with Each Initial Letter in Capital Case

Author's Name^a, Author's Name^b and Author's Name*

^aReplace this text with author's affiliations (use complete addresses) Continue Here

^bIf more than one affiliation is needed, they should be indicated by superscript letters, a, b, c, etc. as shown above.

** Corresponding author: Name, email id.*

Presentation Type: Oral/ Poster

Title of the poster should be written in 14 font size & in **Bold** letters in not more than 20 words, with first letter of each word in capital. Authors' Name: 12 font; Affiliation and corresponding author: *11 font in Italic letters*. The name of the corresponding author should be highlighted by asterisk (*). The title, authors' name and affiliations should be written centered. Leave one space each between the title, authors & affiliation. The affiliation should follow the sequence as: Lab Name, department, and Institution. The abstract of the work should summarize the highlight of work, in not more than **150 words**. The text of the abstract should be written in normal and justified format. Leave one space before and after the abstract. The text should be typed in single columns in Times New Roman (font size 12) with single spacing, as exemplified in this template. Maximum of five keywords (first letter should be capital) from the abstract should be provided with a semicolon between each word, as shown below. *Please consider this template a reference for the Abstract.* **Abstract with insufficient information or improper format will not be considered.**

Keyword: Poster; Bold; Abstract; Column; Template.
