99. Diabolology - The Person and Kingdom of Satan
100. A brief history of, Orcs (Vol.VI)

Look:

1. Clean and well organized
2. Organized chaos, dust covers the overstacked bookshelves.
3. Disorganized, stacks of books cover the floors and walls in no apparent order.
4. Magical, the store is dimly lit by floating orbs of magic.
5. Dark, Only a few scattered candles cast flickering light on dusty leather spines.
6. Secret, hidden perhaps in a dark alley.
