

Subject Line: Help < Brand Name> Break Language Barriers

Hey <Name>,

After watching a couple of your videos on Youtube and checking out the < brand name > website, it's safe to say that you are ahead of the curve with SaaS.

In the current economic climate, fewer businesses are willing to take risks, and fewer people are able to get good-paying jobs. I think < Brand Name > is a game-changer.

Your platform enables completely fair exchanges of value.

Professional closers can get paid their fair share.

No more employees doing the minimum required and getting their paychecks.

Businesses no longer have to take risks on an unknown person, they get the creme of the crop, the best closers in the business.

How about we make that connection happen in one of the biggest regions in the world?

In a region with over 313 Million people speaking the same language in 20+ Countries.

I'm talking about the Arab world

From Dubai In the Middle East all the way to Casablanca In North West Africa, the possibilities are endless.

Is this something you are interested in exploring?

If you are just reply with a " Yes " to the email and I'll let you in on some of the secrets.

All the Best–

<Signature>

Ps. Don't miss out on this opportunity. The current economic climate is the perfect storm for you to make a real difference and disrupt a market that's there for the taking.
