

New Library Media Specialists

LISD specifically designs learning for new staff members to support all roles in having a successful start in LISD.

New Employee U learning is a combination of in-person and online learning. See all details below.

Due 30 days from Hire Date	
LISD Essentials Course	All LISD staff are required to complete the LISD Essentials Training. This eCourse contains specific mandated topics, along with important LISD guidelines that are essential to start the year. This course is found in Eduphoria. To access and complete the eCourse, you must register in Eduphoria Strive with this link HERE . Once registered, you can access the content by selecting the course from your Enrolled courses under My Professional Learning in Eduphoria/Strive.

Registration/Credit:

- To login to Eduphoria to register, use your LISD username (Ex:smithk) and LISD password. For support with logins/technology, email helpdesk@lisd.net or call 972.350.1833.
- As you get started with your new LISD technology, please use the [Learning Hub/ClassLink](#) on the [LISD Staff Resources](#) page for easy access to all resources. This ensures automatic login with your LISD Google account, which is required for the Essentials Course and LISD Curriculum documents. Your LISD Google account's email address(username@staff.lisd.net) is slightly different from your LISD email address(username@lisd.net) and only needed to access Google. Everything is shared within LISD, so access requests should not be needed. If you're blocked, try switching to your LISD Google account. For more information, please watch [THIS](#) short video.
- LISD employees earn trade credit for learning attended or completed outside of contract time. Credit hours are noted in Eduphoria. LMS's earn trade credit for learning attended/completed prior to their first contract day (7/27).
- Contact Trela Weesner with any questions at weesnert@lisd.net
