

Dear Parents,

In preparation for the JS Visual Art and Music Concert, the students are asked to adhere to the following **"#1 Concert Dress" (for the full school day and concert) consisting of:**

- Grade 1, 2, 3: long sleeve white shirt, tunic, HC tie, green tights & black shoes
- Grade 4: long sleeve white shirt, tunic, HC tie, green tights & black shoes
- Grade 5 & 6: long sleeve white shirt, kilt, HC tie, green tights & black shoes

Special attention to hair - it should be pinned back from the face using a hair accessory without colour, sparkles or embellishments. Girls are permitted to wear small pins or a headband that matches their natural hair colour.

In addition, we wanted to make you aware of a **photography practice** that will we be introducing during concerts in the Junior School.

HC will now be recording all musical performances for Facebook Live and Instagram. While you are enjoying the concert, you will notice two photographers, who will be filming the entire concert. These photographers will be **clearly marked in Havergal Vests.**

Parents are welcome to take photos and/ or videos of their girls, however, these photos must be taken from the **sides** of the hall, and **not** from your seats. This will allow the professional photographers to take clear footage of all of your daughters during the concert. This footage will be made available to all of our families 24 hours following the concert.

In addition, we will make available, a photo opportunity at the start of the concert for all of our parents. Our hope is that after this photo opportunity, all parents will have a chance to sit, relax and enjoy the concert, without the use of digital devices.

We thank you for your attention to this new practice. We hope it will allow all families an opportunity to enjoy the show.

Many thanks,
Cissy
