

Flag Raising at Football Games-

Explanation of Events - Mid-Prairie FFA members are responsible for putting up the American flag at all home football games. Between 3-6 members are needed to assist each time. Members put up the flag before each varsity game. Members are able to get into football games for free when they are scheduled to put up the flag. Members will meet Mrs. Schmidt by the flagpole 10 minutes before the games start.

Who - All FFA members - We try to involve younger members by putting them in charge of putting up and taking down the American flag at all home football games.

When - Four to five times per year depending on the football schedule. Games start in August and end in October

Why - Members gain responsibility and patriotism by being in charge of the flag raising.
