The School District agrees to order the above equipment and request its delivery to the school at which you work. The district takes no responsibility for delays in shipment. The employee may take possession of the equipment upon arrival at school. The employee also agrees that the equipment is collateral and security for the district's advance of the purchase price, that this is an advance against pay, and should employment be terminated before the repayment of the full purchase price, the district may, at its sole discretion, withhold any balance due from final payment to the employee. This program is not intended for upgrades or purchasing peripherals for existing computers. Staff members are eligible to use the program once per school year. The School District does not manage or service items purchased through this agreement.
