

Jesus in the heav'nly temple

1. Jesus in the heav'nly temple
Sits with God upon the throne,
Now no more to be forsaken,
His humiliation gone.

2. Dwelling in eternal sunshine
Of the countenance of G od;
There He fills the heav'ns with incense
Of His reconciling blood.

3. With this wondrous Christ we are one,
Being of the Spirit bo rn;
And of God belov'd in Jesus,
We can love Him in return.
