He is even wearing the same shirt as on other videos he posted on his Social Media :
(Left: screenshot on October 7th attack. Right: screenshot of an Instagram post – more info later)

Video of him running happily in Israel alongside other Gazans and terrorists :
https://x.com/imshin/status/1982518952732348768

The person filming is shouting of joy and excitement.
In the conversation one can hear :

“Come on, bring it on ! Go go go !”

“God bless ! God bless”

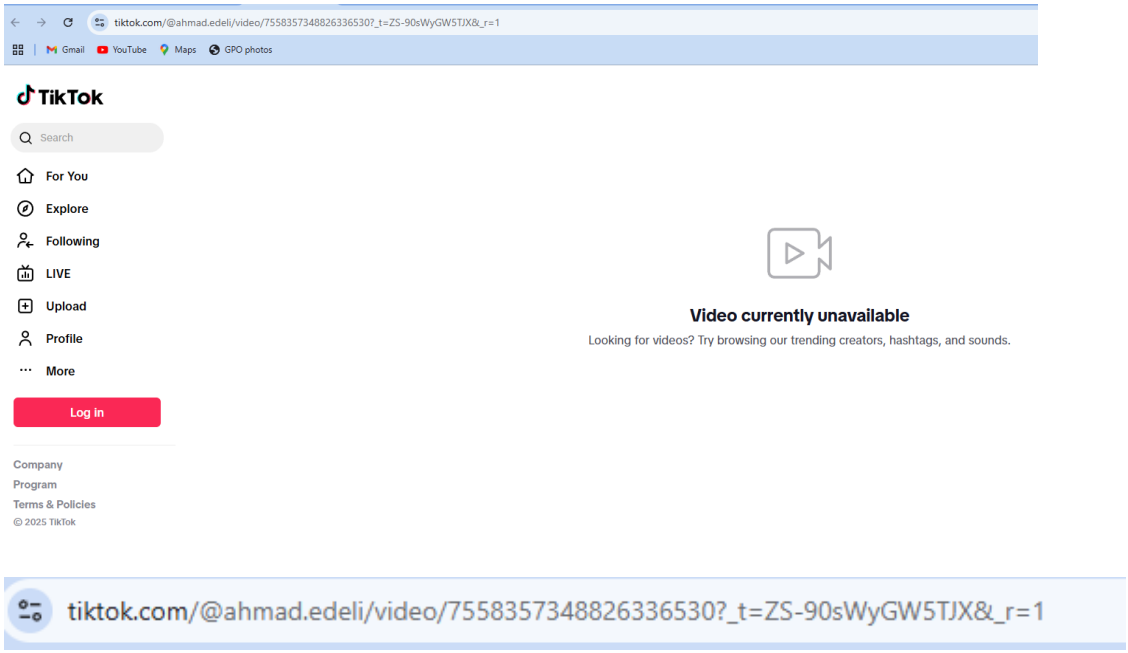

“How great is God !”

« Fire and ashes »

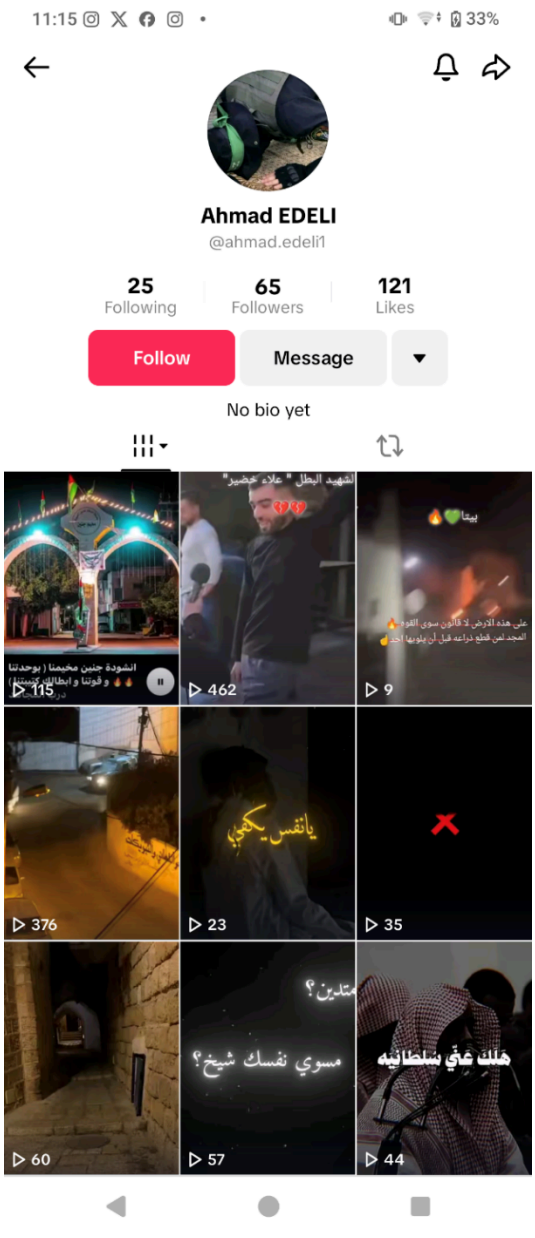

« I’ll go with him !»

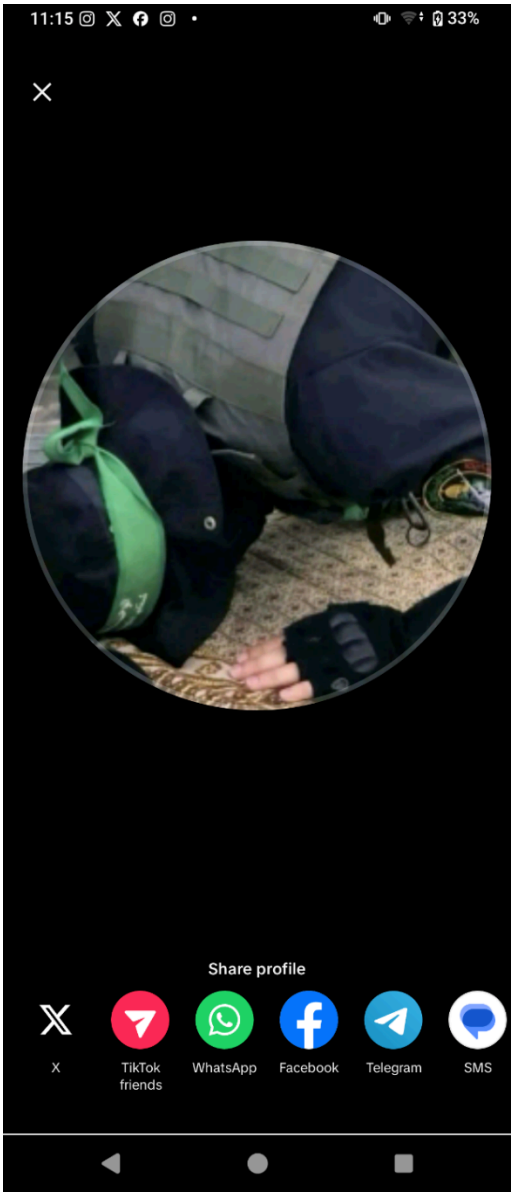

“I want to carry someone on my neck !”

The video, uploaded by Tiktok profile AHMAD (+ Palestinian and Belgian flag) **(@ahmad.edeli)** on October 7th 2025, to commemorate and celebrate the massacre that took place two years earlier, was deleted in the meantime :

Another screenshot from a video of October 7th :

Hassan Eslaieh (**proven Hamas member, posing as a journalist**) in the front and Mohanad Alkhatib running with his phone in the back.

We will get back to their complicity later on.

This video, filmed on October 7th in one of the Kibbutzim, could be filmed by Mohanad Alkhatib :

About Hassan Eslaieh :

Like Mohaned Alkhatib, he poses <u>as a Gazan journalist and photographer.</u>

He was **in Israel on October 7th, rejoicing and participating in the attack.**

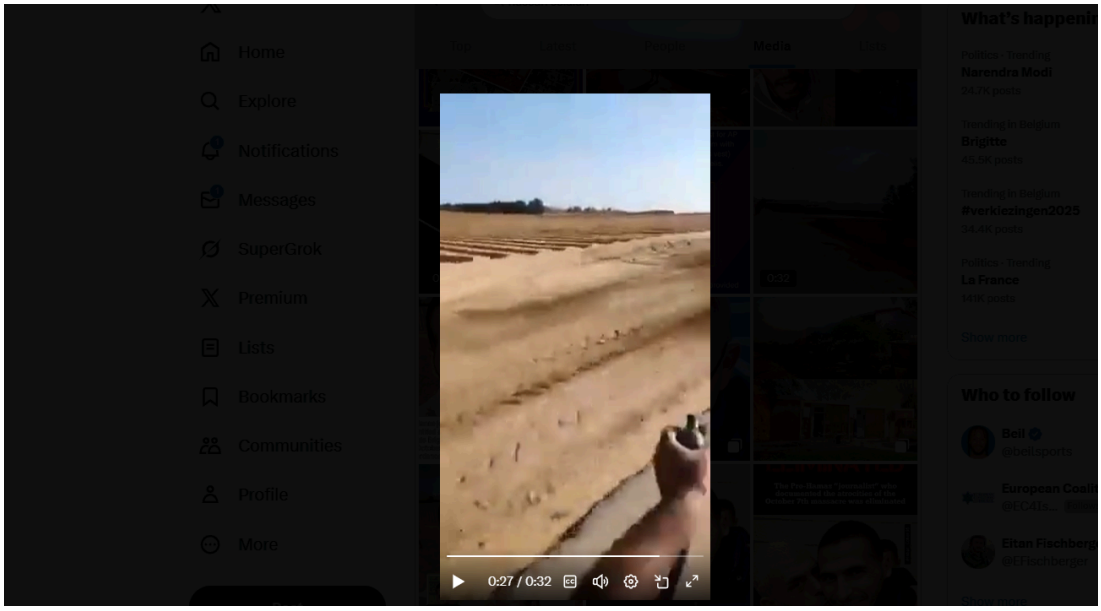

In this picture, a screenshot of a video he posted on October 7th, we see **Hassan Eslaieh** on a scooter and **Mohanad Alkhatib** running behind him. None are wearing press vests. Everyone is very happy.

This video was presumably filmed by Hassan Eslayeh on October 7th. He's holding a hand grenade.

Hassan Eslaieh was close to Yahya Sinwar, the architect of the massacre of October 7th, and a member of Hamas.

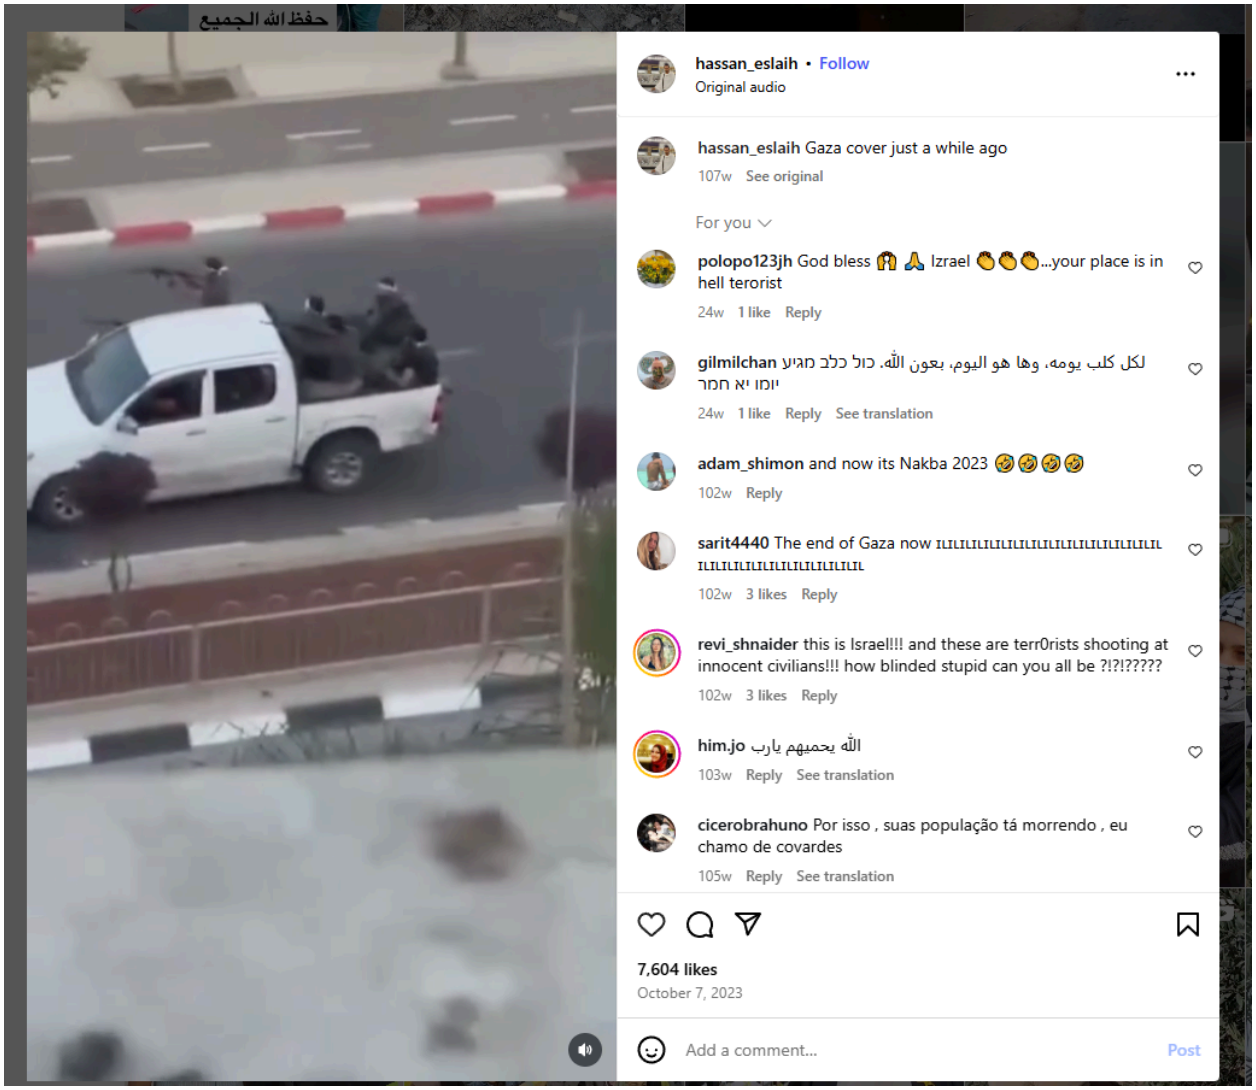

Hassan Eslaieh posted several videos on het Instagram account on October 7th, in Israel, "covering" the terror attack live :

Messages he posted in 2014 and 2015 :

We are able to find out much more about local journalist Hassan Isleih, AP's source to back up Hamas' claim that Ahmed Abu Abed died after he was fatally wounded from Israeli fire at border clashes Friday.

According to Electronic Intifada, Hassan Isleih is a "a camera operator with Quds TV," which is Hamas affiliated.

Moreover, upon reviewing his social media accounts, CAMERA Arabic has found that Hassan Isleih openly identifies with Hamas' political platform and is a rabid anti-Semite who praises terrorists and expresses joy over the murder of innocent and unarmed Israelis (they're all settlers, according to Isleih, regardless of which side of the Green Line they lived).

On Twitter, Isleih praised the perpetrators of the Har Nof massacre, in which five civilians at prayer in a synagogue and a police officer were murdered in November 2015:

"The mosques of Gaza announce the "Allahu Akbar" as they bless our people and our Ummah (the Arab Nation/ the community of Muslim believers) with the exquisite act of martyrdom in Jerusalem, there are areas in Gaza and Rafah that distribute candy out of joy due to the event"

He expressed joy and contentment about the murder of civilians Nehemia Bennett and Aharon Lavie, stabbed to death in Jerusalem's Old City, October 2015:

"Wailing and crying during the ceremonies of burial of the Zionists killed in the stabbing attack that was performed yesterday by the martyr and hero Mohannad Al Halaby #A_Sight_of_Contentment (Literally: #A_Sight_that_Relieves_the_Hearts) – in response to the funerals of civilians Nehemia Bennett and Aharon Lavie

Instagram post by Mohanad about his colleague and friend Mohammed Fayq.

https://www.instagram.com/p/DN8ThATiKU9/

About Mohammed Fayq:

Like Hassan Eslaieh and Mohanad Alkhatib, Mohammed Fayq poses as **a Gaza journalist** on all his social media channels.

https://www.facebook.com/Mohamed.Fayeq17/photos

He was also in Israel on October 7th and brags about that glorious day and everything he saw – including the hostages being taken from their houses, and terrorists forcing the safe rooms in people's homes.

Link to video : https://x.com/WolfgangTietze3/status/1982862227569840492/video/1

“All of Gaza was there”. “I saw people carrying soldiers”. “They brought at least 50 female occupiers.”
‘Evryone who can should come ! It’s a once in your lifetime experience !”
He encourages Gazan civilians to go into Israel and participate in the atrocities.

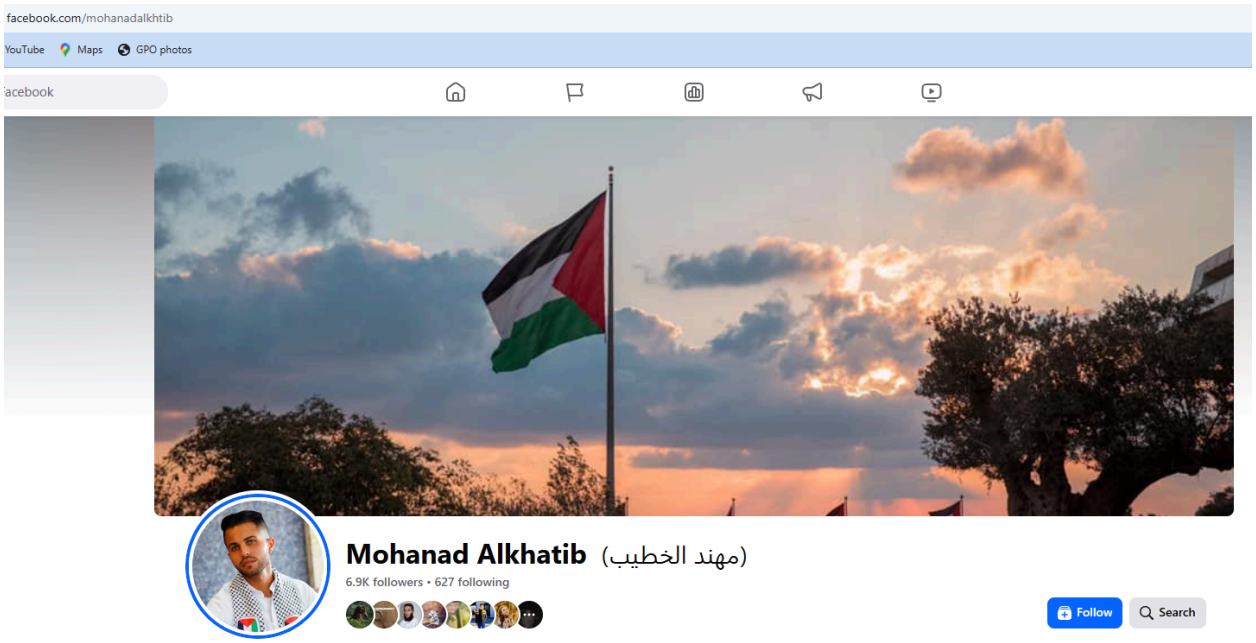

He says “we” and mentions **Hassan** Eslaieh?

There are reasons to believe he was witnessing, chearing, and participating in the crimes of October 7th, together with Hassen Eslaieh and Mohanad Alkhatib.

About

Mohannad Al Khateeb is a journalist and youth activist who works to show the truth facing the Palestinian people. He conducts many interviews with children who are exposed to injustice. I work to provide assistance to everyone I find in need of humanitarian assistance. I photograph all the news and stories that occur in Palestine and the Gaza Strip.

Profession

Mohanad Alkhatib is from Khan Younes.

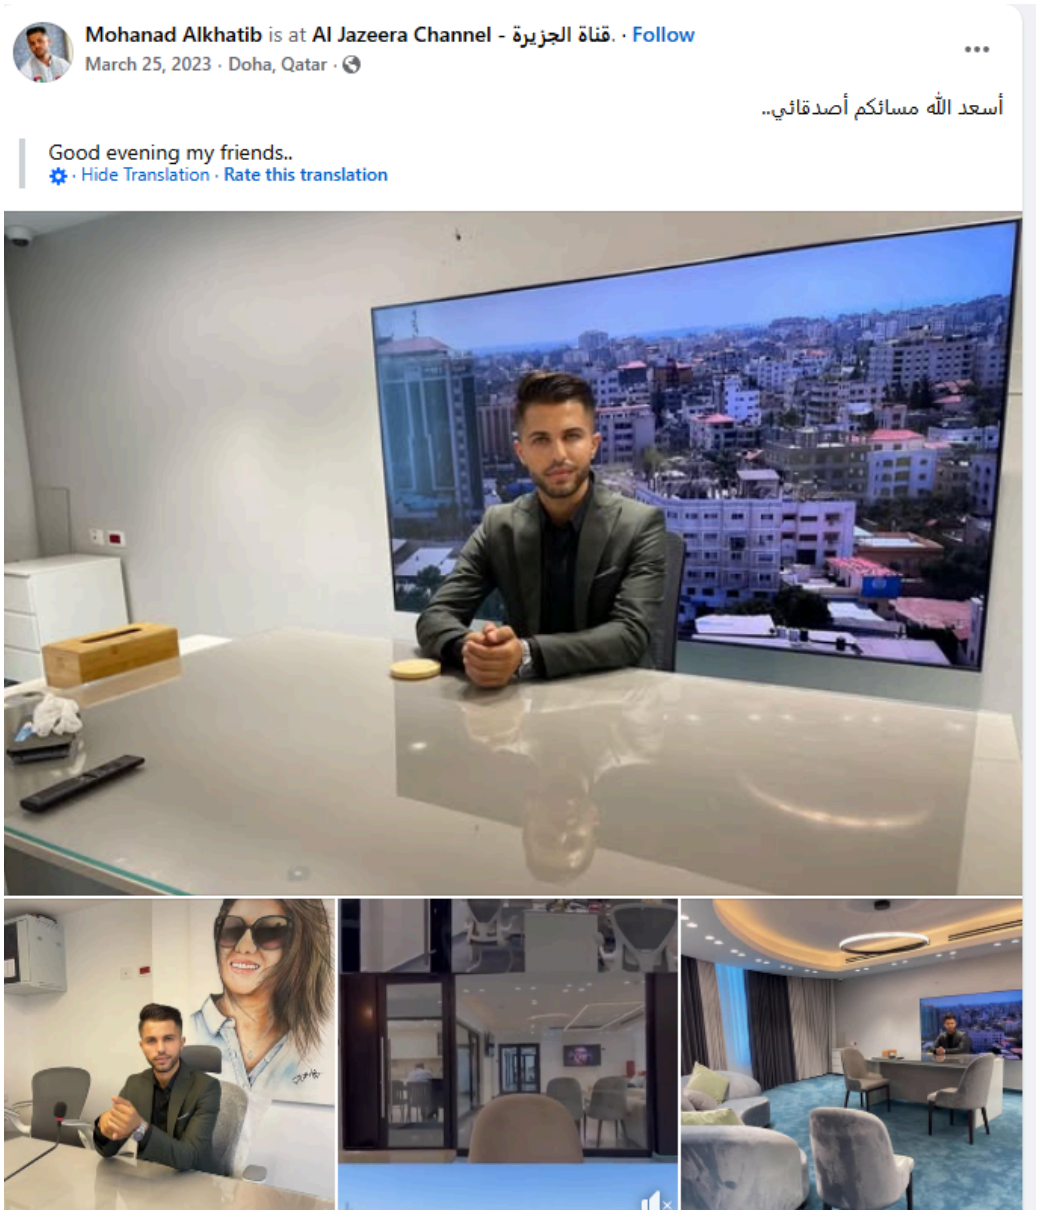

He presents himself as a journalist and a photographer.

He poses countless times with his press vest and camera in Gaza.

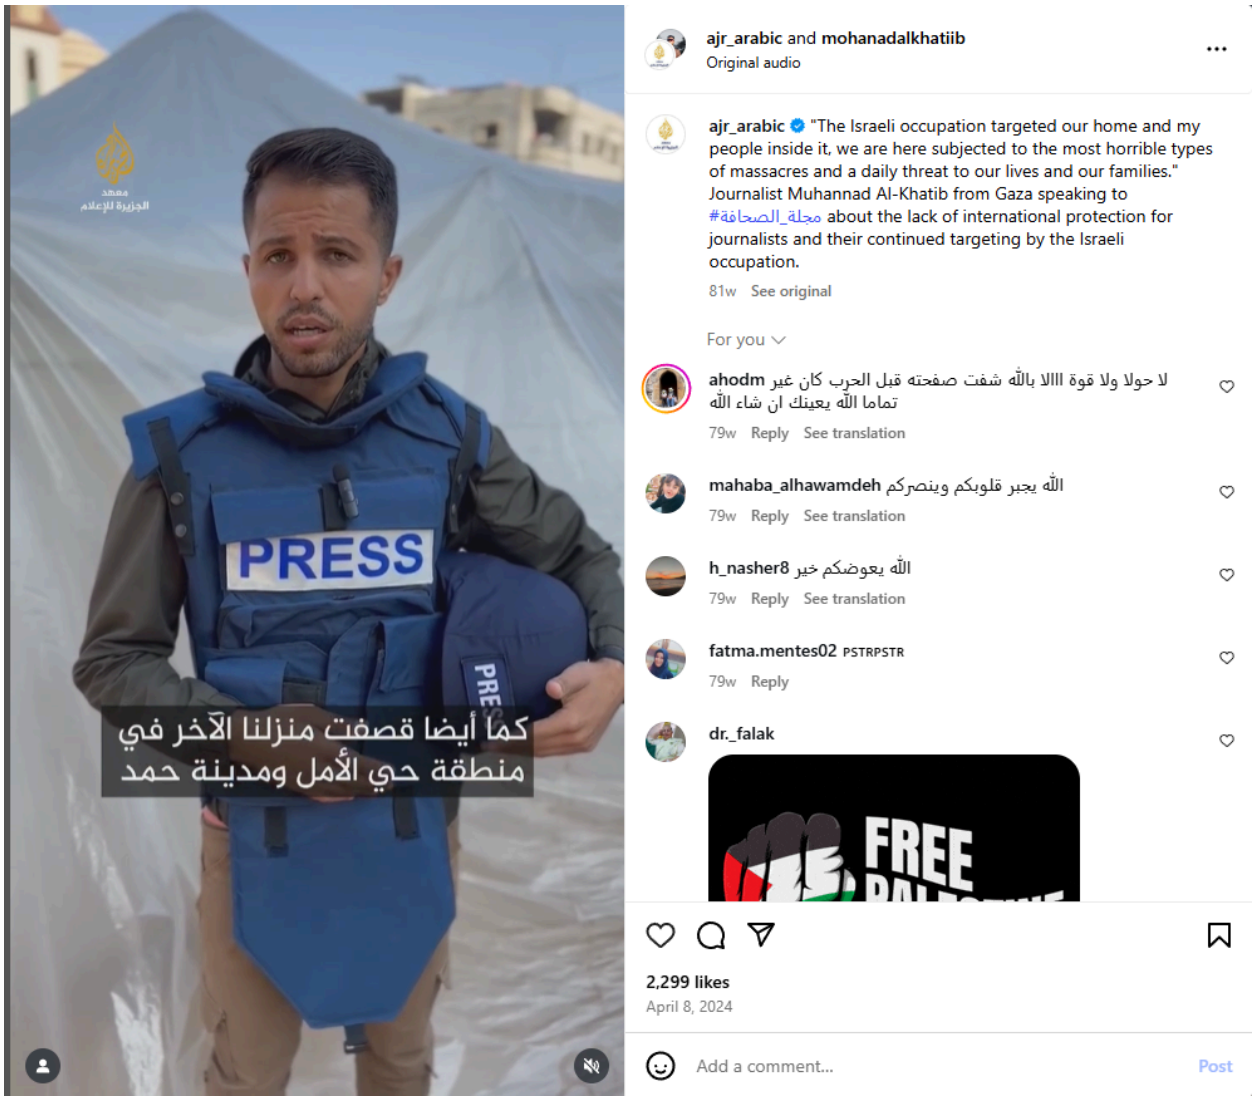

Yet he doesn’t seem to write for any newspaper. He mainly uploads propaganda videos to Instagram.

He doesn’t seem to be an Al Jazeera journalist, but he tries to show off his ties with the Qatari state-owned media :

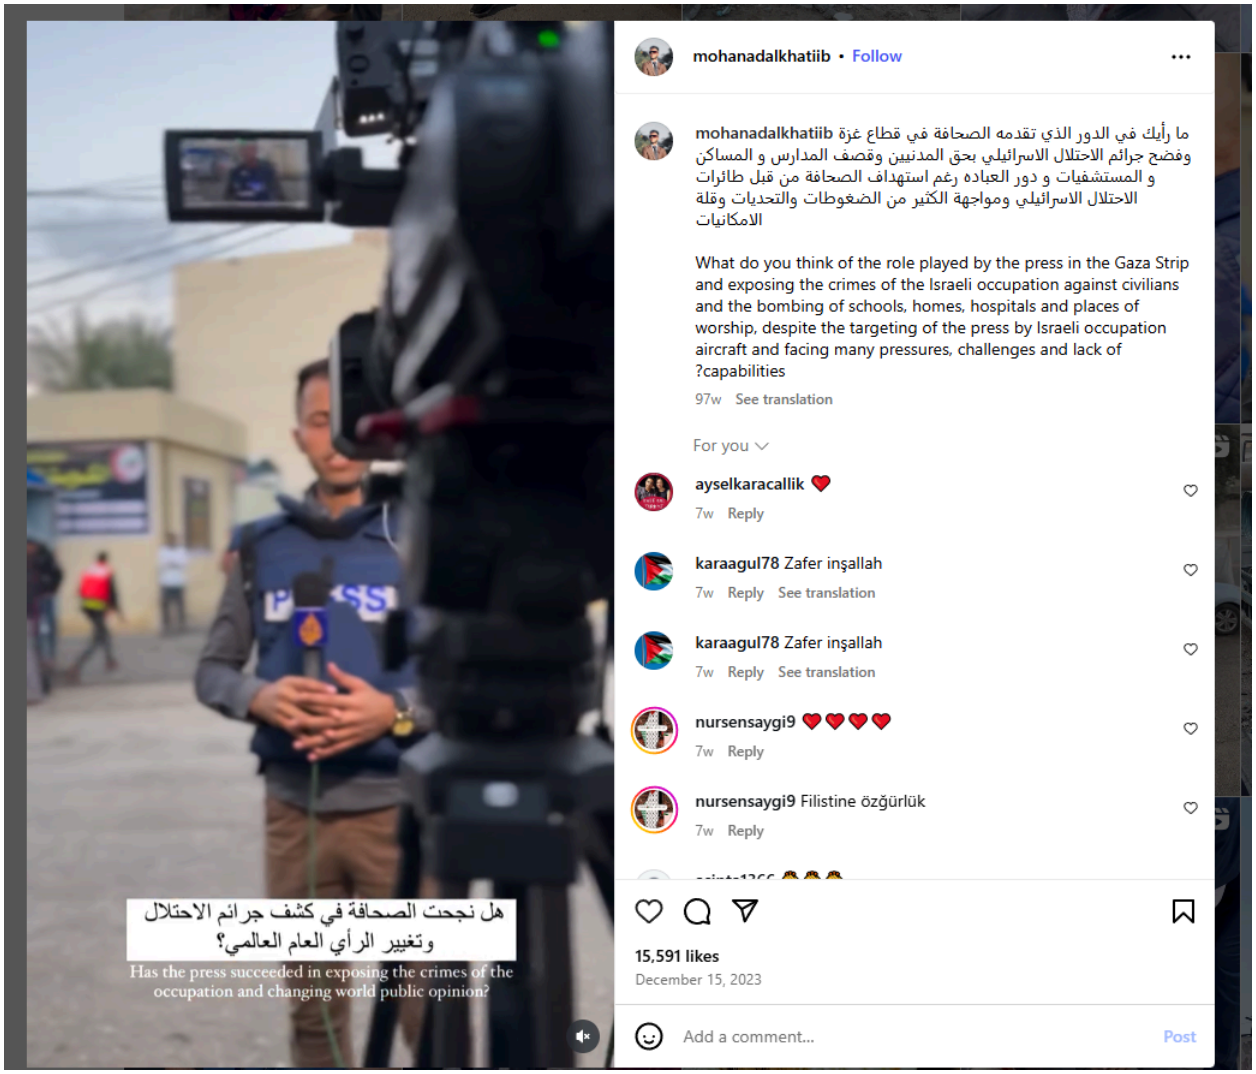

A visit to the Channel in Qatar, on **March 25, 2023** :

One video of his was posted on Al Jazeera's Instagram account :

What do you think of the role played by the press in the Gaza Strip and exposing the crimes of the Israeli occupation against civilians and the bombing of schools, homes, hospitals and places of worship, despite the targeting of the press by Israeli occupation aircraft and facing many pressures, challenges and lack of ?capabilities

Problematic posts :

Pinned post from **August 8, 2023** :
“If I die…
May Allah have mercy on those who die”
Posted two months before the October 7th massacre, STILL pinned to his profile to this day.

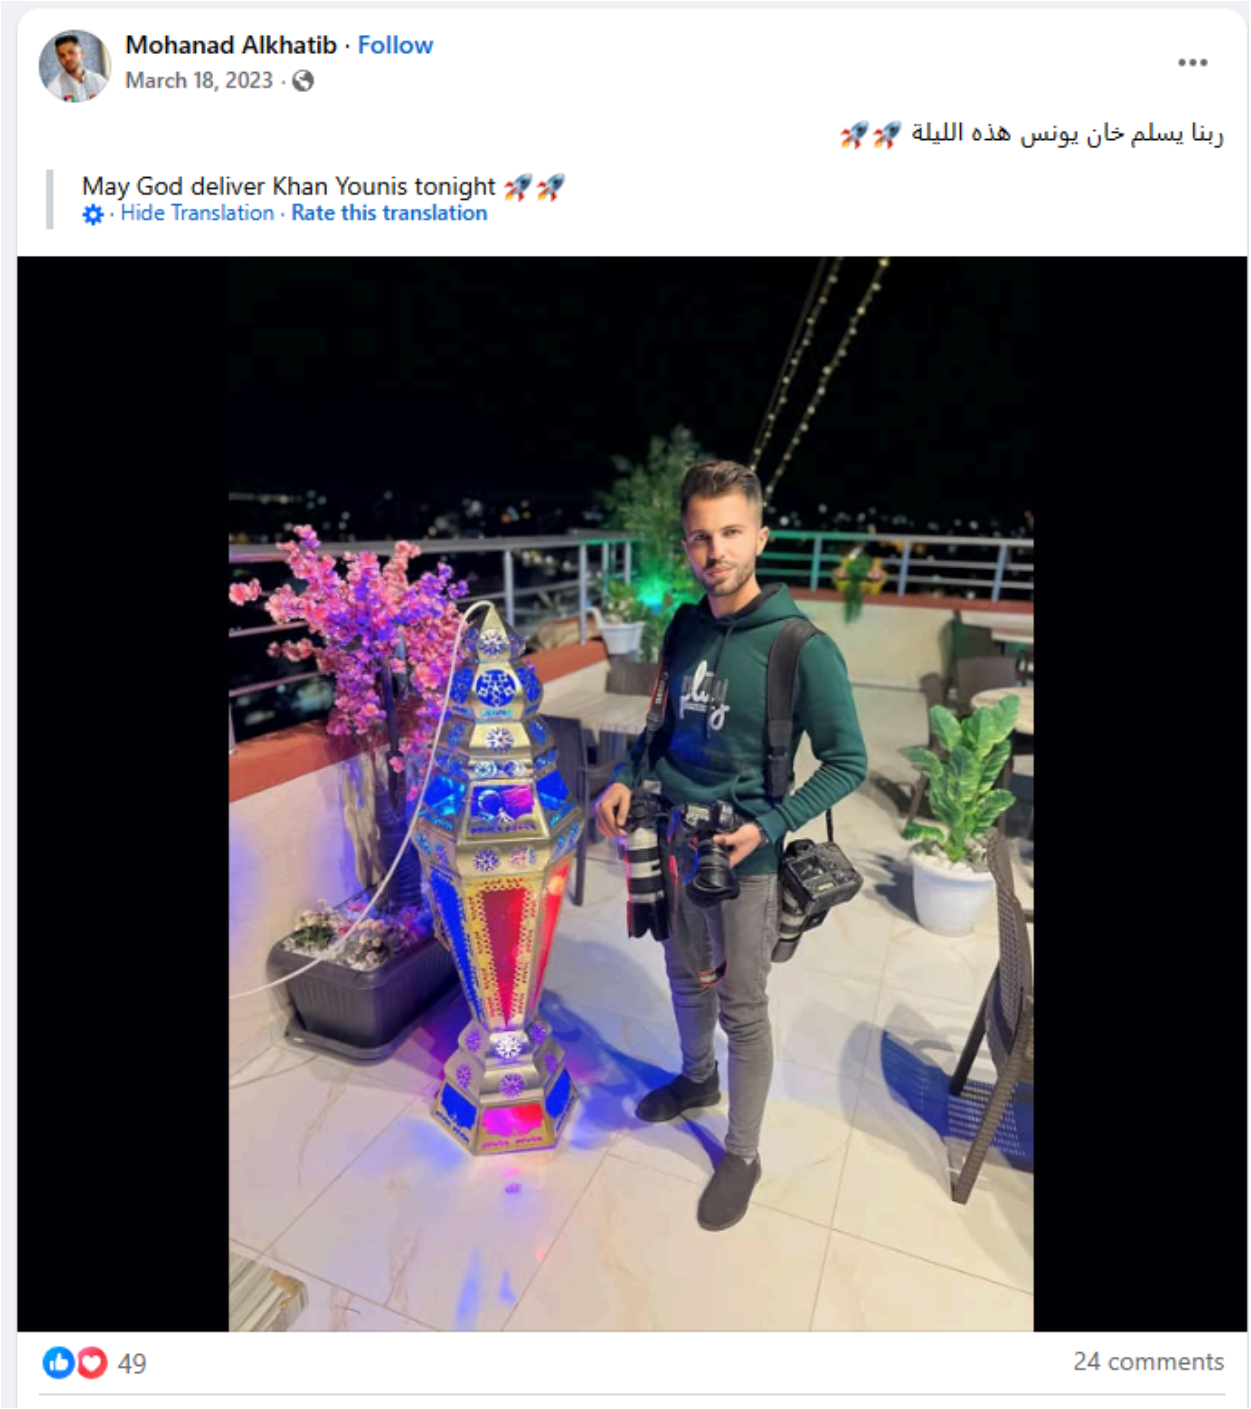

“If I die... then ask God to grant me the highest Paradise without reckoning, and to treat me with His grace, generosity, and mercy, as He deserves. And remember me in your prayers in the depths of the night, in solitude, and in a place where prayers are answered. For on that day, no one will be poorer or more in need than I. May God have mercy on those who have passed away, and join us with the righteous, neither disgraced nor tempted, and grant us a good and pure end, and the Gardens of Bliss. ❤’

Israel on high alert after Hamas fires rocket on eve of regional summit

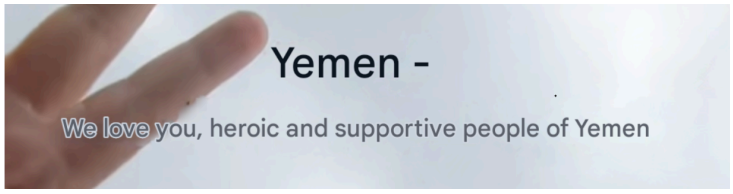

Israel is concerned that Hamas, backed by Iran, will push forward with other terror activity both from Gaza and in the West Bank.

Family members killed furing the war:

According to this post : his father, his brother Emad, his sister Fida, his brother Mohammed, who was his life, two of his in-laws, his aunt, and many cousins and friends.

Note : **the combatant to civilian deaths ratio in the Gaza war is 1 combatant / less than 1.5 civilians**. If what he claims is true, it is impossible that all of his family members were innocent civilians.

WHEREABOUTS

25 JUNE 2025

He writes that this is Paris, France, but it is actually **Brussels, Belgium.**

https://www.instagram.com/p/DLVWWY0tvPH/?img_index=1

It was most probably at the demonstration of June 14th 2025 in Brussels.

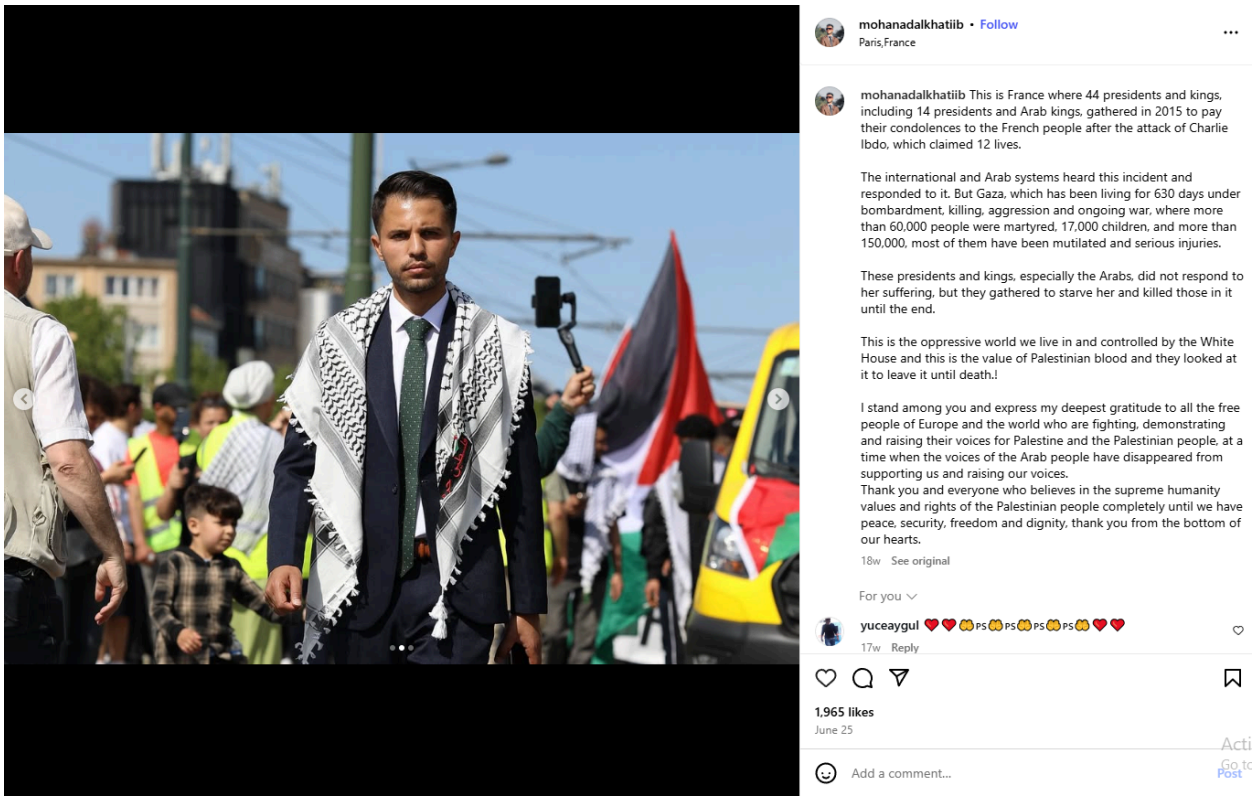

Location : Brussels, Boulevard Barthélémy +- 33-40.

Note : the images on Google maps date from 2022.

Black building in back : Quai Hainaut 3

https://archiweek.urban.brussels/en/event/hainaut-quay

He wrote :

"**This is France** where 44 presidents and kings, including 14 presidents and Arab kings, gathered in 2015 to pay their condolences to the French people after the attack of Charlie Ibdo, which claimed 12 lives.

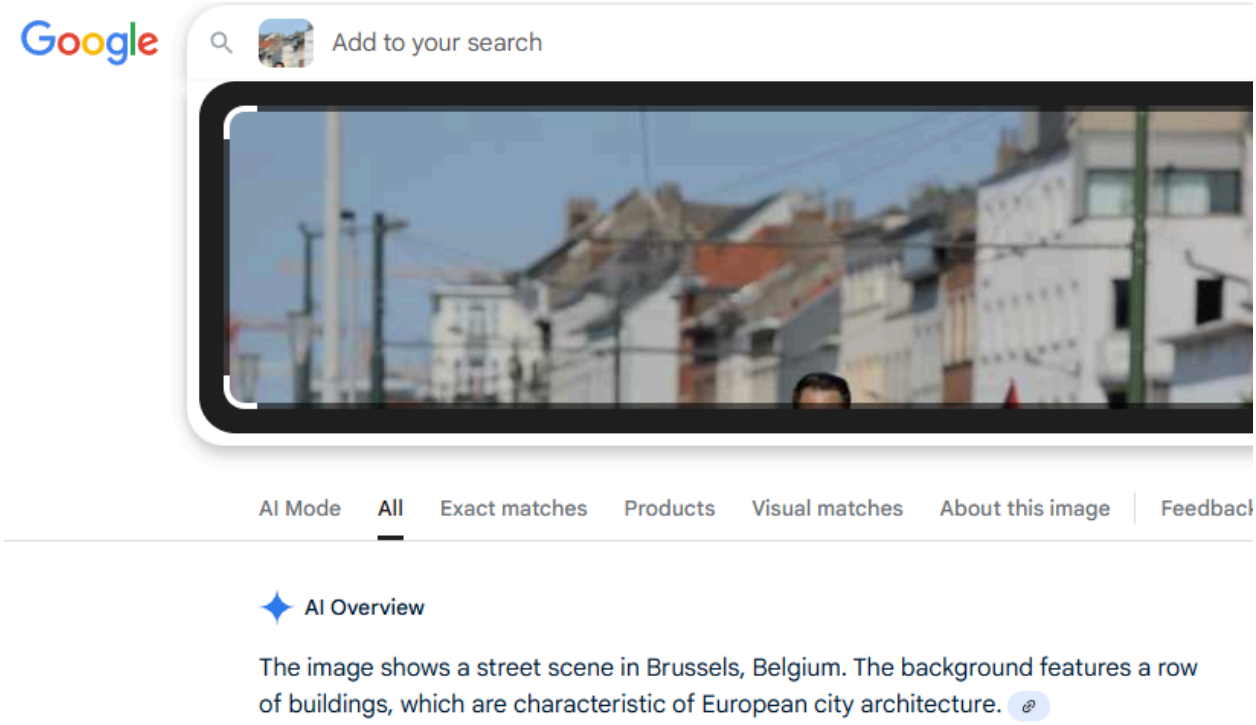

The international and Arab systems heard this incident and responded to it. But Gaza, which has been living for 630 days under bombardment, killing, aggression and ongoing war, where more than 60,000 people were martyred, 17,000 children, and more than 150,000, most of them have been mutilated and serious injuries.

These presidents and kings, especially the Arabs, did not respond to her suffering, but they gathered to starve her and killed those in it until the end.

This is the oppressive world we live in and controlled by the White House and this is the value of Palestinian blood and they looked at it to leave it until death.!

I stand among you and express my deepest gratitude to all the free people of Europe and the world who are fighting, demonstrating and raising their voices for Palestine and the Palestinian people, at a time when the voices of the Arab people have disappeared from supporting us and raising our voices. Thank you and everyone who believes in the supreme humanity values and rights of the Palestinian people completely until we have peace, security, freedom and dignity, thank you from the bottom of our hearts."
