(Information related to all authors should be given. Authors cannot be removed or added after the review of process has started.)

NOTE1: When there is additional information related to the article (e.g. an article produced from a thesis, or an article produced from the Project of XXX), it should be added to this form as a note.

NOTE 2: If you send your article for any special issue to be published by our journal, please indicate it as a note.(The scope and the date of the special issue are announced on our journal page).

NOTE 3: Information about the production of the article from the conference paper or thesis is the responsibility of the author. Editing of this information in published articles cannot be done later.
