

Year 9: Music

Watch an Episode of *The Piano* on Channel 4 and Write a Brief Review

Watch an episode of *The Piano*, a series on Channel 4 where amateur pianists perform in unexpected places. After watching, write a short review (about 150 words) sharing your thoughts on the episode. Describe some of the performances, how they made you feel, and what you found interesting or surprising

Guidance/key questions to ponder:

- **Performances:** Which performances did you enjoy the most? What made them special or memorable?
- **Feelings and Reactions:** How did the music make you feel? Did any of the stories or performances inspire you or surprise you?
- **Show Format:** What do you think of the show's format? How does it make the show feel different from other music competitions?
- **Overall Impression:** Would you recommend this show to someone else? Why or why not?

Upload your review to the assignment on Google Classroom.
