

# NIC Support Workshop

Monday, June 2–Tuesday, June 3, 2025  
1:00-5:30 p.m. EDT each day ([find your time zone](#))

*Useful for a wide range of audiences!*

## What will the workshop include?

- Improvement Science Bootcamp
- Advanced Network Training

## Who should attend?

→ **current members of MTEP teams**, to revisit their team's NIC design and strategies for program improvement. (This will also help you prepare your annual Team Report.)

→ **new members of MTEP teams** or others needing a refresher on the NIC design.

→ **members of colleges or universities (private and public) and their partners** involved in preparing secondary mathematics teachers, who are interested in working with others to improve their program by forming an MTEP team or joining an existing MTEP team.

**Register now**

**This workshop is offered at no cost, but registration is required. [Register](#) by May 19 to secure your spot.**

*Note: Members of existing (or potential) MTEP 2.0 teams may be eligible for a stipend to attend!*
