

How to Pay Your Court Fine

You have two options. You can pay it yourself or hire us to take care of it for you for a \$25 handling fee. We guarantee the fine will be paid properly and on time.

If you prefer to pay it yourself, then what you will need to do will depend upon the court. We will provide you with specific instructions for getting it taken care of yourself. However, we are not responsible for the payment of your fine or the timely completion any conditions the prosecution may place on your recommendation, such as traffic school. As a legal matter, our representation ends when we deliver the deal to you, unless you decide to hire us to pay your fine for you.

If you do not hire us to pay the fine, ReubenLaw LLC is not responsible for the payment of your ticket or the satisfaction of any other conditions the deal may require. This is entirely your responsibility and should be taken care of as soon as you can after you get your deal.

The prosecutor's recommendation is typically only good for a specific period of time, and will be withdrawn if you haven't paid your ticket or satisfied any other conditions on time. In that case, we would be glad to continue to represent you, but will need to charge you for a new ticket.
